KAY

Dear Mrs. K—

I could never begin to tell you how I really feel about you and what you have meant to me this last year. I will never forget Journalism 313 or 323. When Webster wrote his great piece he must not have known anyone like you, cause I don't think I could find a word that is fitting to use. I could say you're a wonderful person, but that's an understatement. I could say you're good natured and easy going, and that you are (only you could put up with us!) but that doesn't seem quite fitting either. So I'll just say "You're tops on my list and I love you, Mrs. K."

If there were only more people like you around C.H.S. this place could really stay alive. I wouldn't have a mind to come back next year if I could have six periods of Journalism (same teacher). I could go on and on, but I probably couldn't say what I want to if I wrote a few more pages to—. Let me say it all in just a sun-or sentence. I've loved every minute of this year, I wouldn't have missed it for anything. I'll never forget the class or its sponsor.

May God bless you always. I'll be coming back very often next year so you won't be able to get rid of me. Thanks for a wonderful year.

I love you.

[redacted] Reserved for cousin Chester

Dear Boy;

Well, the old time clock says that another year is through and a good time must be.

Words cannot express how much this year has meant to me. Being in your class was wonderful, but being your kin is much too much. I am sure that I am only one of many that thinks has wonderful year! Though we might have had to put our relationship on a teacher-student basis, I was still very proud to be your cousin.

I don't believe as long as I have been going to school that I have ever had a teacher that I enjoyed as I loved more, and I am ~~sorry~~ glad that I am not the only one that feels this way.

I will never forget all the good times that we had - such a B.M.U. — and the wonderful association with other people. Throughout the years, I hope we will always remain close. May God bless and be with you throughout life. Es' ben gaat

Love always,

Dear Knoyce,

I just can't begin to tell you how much I think of you. You are truly one of the finest persons I've ever known (to be grown, of course!?).

You really know "how things are" around here and I pity you having to stay here too much longer! But you usually know how to cope with such problems as arise, and I admire that in you.

I could write four-million pages and never say what I really mean because what I really feel is "beyond human utterance"! You are the best teacher I know and I believe that it's because you really enjoy kids (or should I say - young adults?!). You are little more than one yourself (at heart!)

Seriously, I have sincerely enjoyed your class and you to the utmost. I just don't have the words to express how much I really have. I have enjoyed every single excursion to "FROGLE-LAND"

YELLOW - JACKET STADIUM

Dear Knoxy,

We sure have had a hard time this year in journalism. This is one of the mildest years in C/S-ville!

After I've graduated and gone to ASC, I will come back and visit you and old C/S. I'll bet you-know-who is going to run around with Miss Barrett go - when you're not around!

Love always to one of the swellest teachers in C/S.

1960 SANTA FE TRAIL

Dear "Mama Knox"

It has been too wonderful for words. We'll have as much fun next year. The trips this year were a ball. Remember the boys from Breckenridge and the track meet! What about Austin?

Next year CLEBURNE are going to have to make the yippee bells. So lets work hard! Until next year!

FOREWORD

If one were to retrace his experiences at Cleburne High in 1959-1960, he would find one friend, the YELLOW JACKET, very evident. It is the intention of the staff to reiterate on the activities of this little fellow by presenting you, the student body, with the 1960 SANTA FE TRAIL.

THE SPIRIT OF THE YELLOW JACKET

Our little friend the YELLOW JACKET is quite a popular fellow. Not only is he a favorite to the students and faculty of Cleburne High School, but he also is very well-known to the community of Cleburne.

Most people do not realize the many things our YELLOW JACKET stands for. Just as each student represents Cleburne High, the YELLOW JACKET, with his colorful black and gold body, is a symbol of our school and the many things associated with it.

During the fall term, we saw the YELLOW JACKET fighting for the black and gold on the football field. Fearlessly and fairly he gained honor and recognition for our school and community. He brought a title to Cleburne High that showed just how hard he did fight--- State AAA Co-Champs, 1959.

The many supporters of our little friend surely had some of his spirit as they traveled to the ends of Texas to see him perform. The YELLOW JACKET represents these people and the interest they have in Cleburne High.

Basketball, baseball, and track also have the YELLOW JACKET as their symbol. He has a big load to carry but does it brilliantly in all fields.

As we recall the things the YELLOW JACKET symbolizes, we cannot forget our friends who have loyally supported him, as exemplified by Miss Allene Gray, Mr. Brooks Conover, and others who will remain a part of the spirit of the YELLOW JACKET.

So now we have a clear picture of our smiling friend. Because we feel he is truly deserving, as an honorable representative and symbol of Cleburne High School, we dedicate the 1960 Santa Fe Trail to

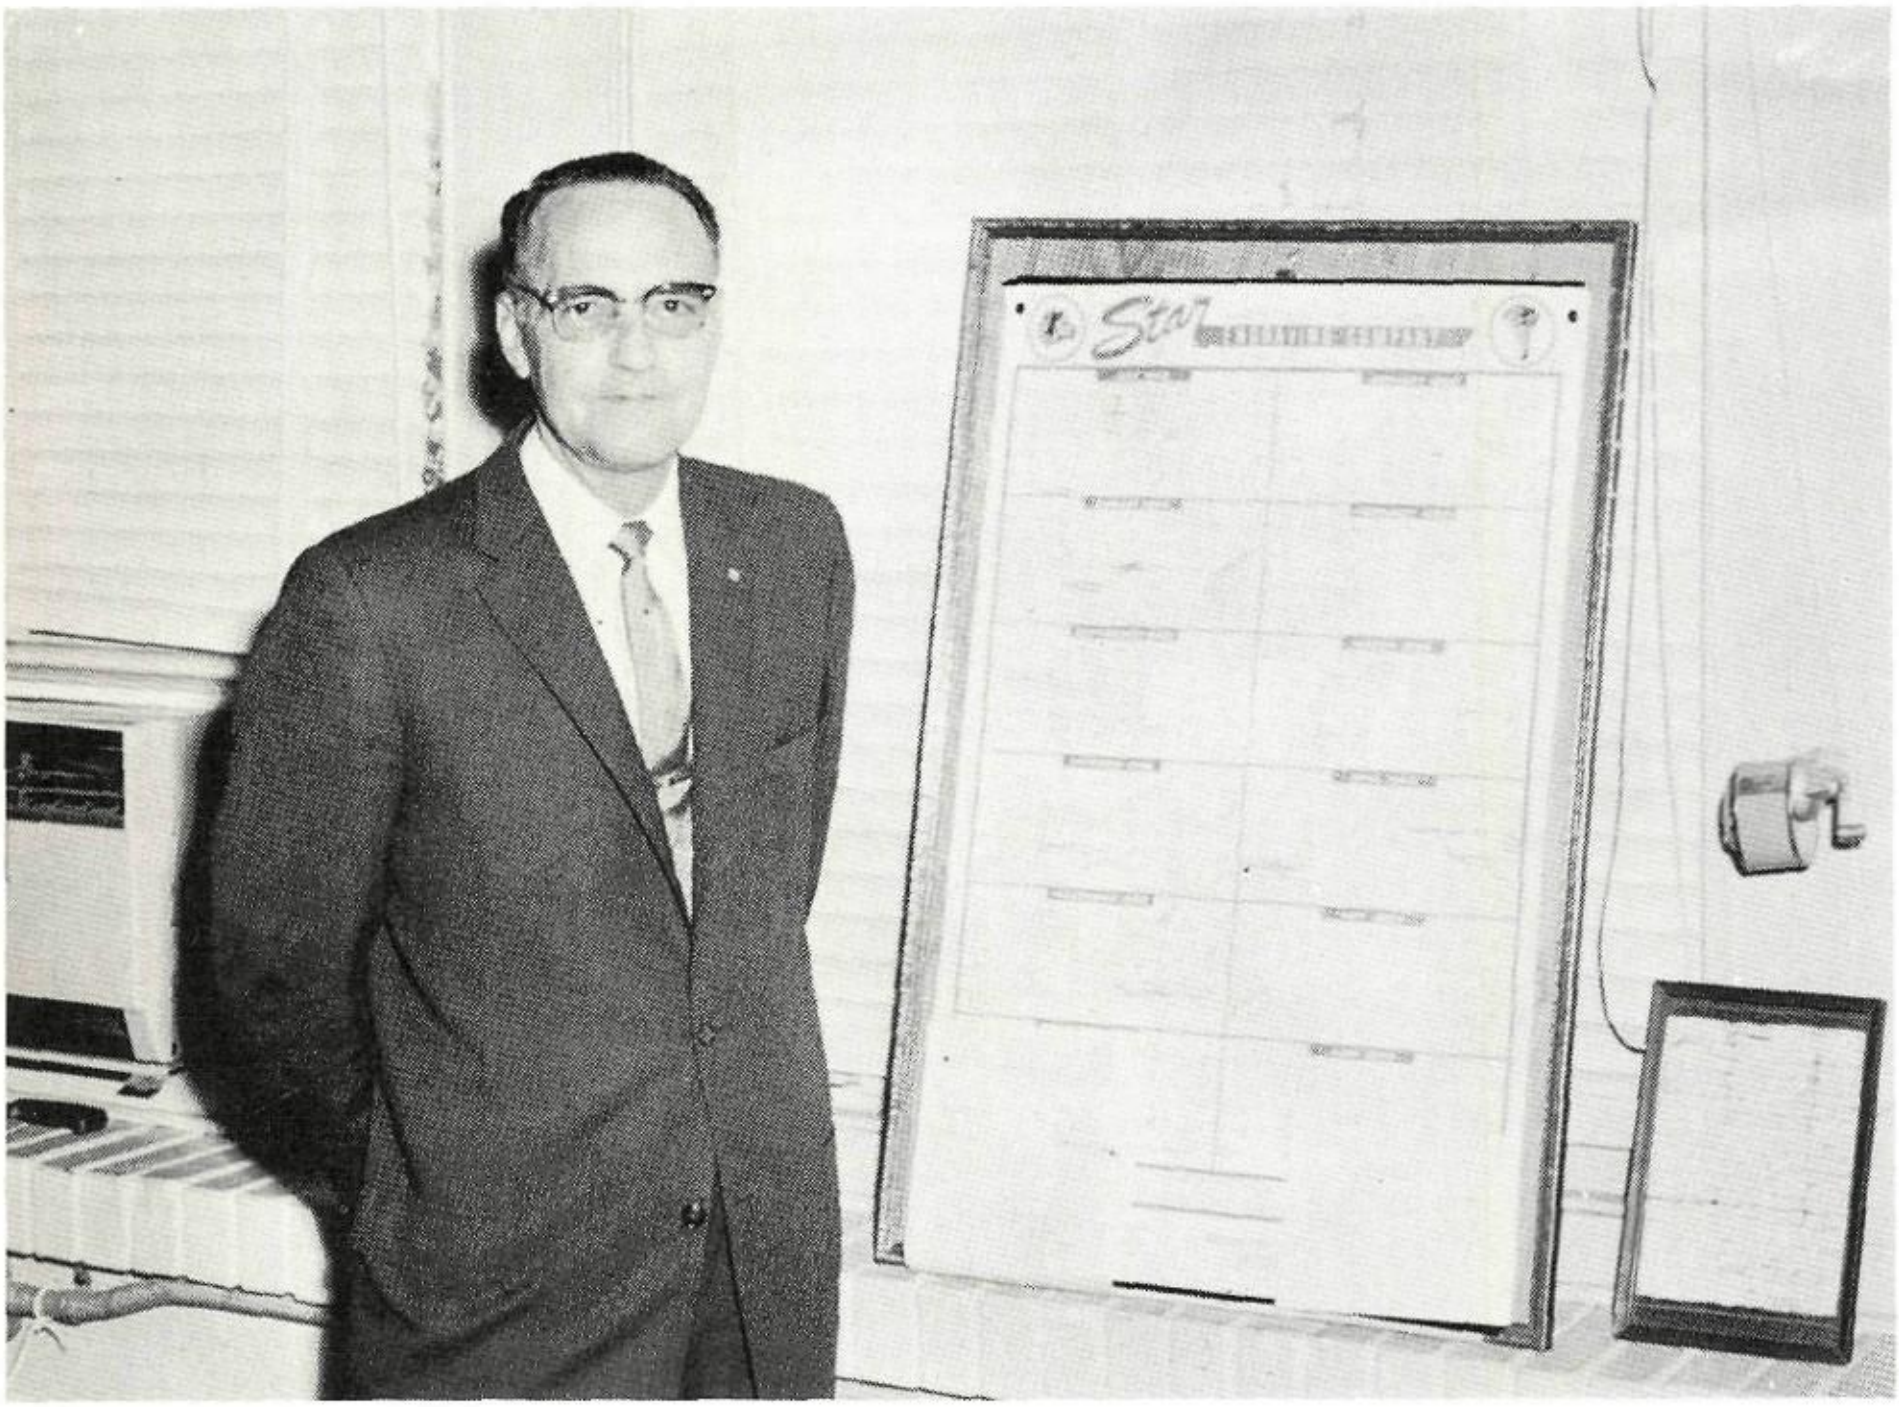
Office of Superintendent

Cleburne, Texas



I sincerely wish for a happy and successful life for each teacher and student in our school. The surest formula for such a life seems to be found in service to others--the service given should always exceed the pay received.

Ernest L. Guinn

Everyone in Cleburne High knows the Assistant Superintendent, Mr. Glendon Broumley. His warm smile and friendly ways make him a favorite to all.

Purchasing for the school and arranging transportation for the entire school system are two of his chief duties.

Mr. Broumley attended North Texas State College in Denton, Texas, where he received his B.S. degree in physical education and his M.S. degree in administrative education.

ASSISTANTS

SUPERINTENDENT'S

SPECIAL SERVICES

Miss Beatrice Hall serves as guidance counselor for the Cleburne Public School System. Among her many jobs are those of giving and interpreting aptitude and I. Q. tests to students. She plans special guidance programs. Many students counsel with her on their social or emotional problems and their future plans.

Miss Hall received her B. S. Degree in Journalism from Texas Women's University, and a Masters of Education in Guidance from Texas Christian University.

Miss Hall leaves the Cleburne School System this year to become Consultant in Guidance Services for the Texas Education Agency. The many students of Cleburne High School, the faculty and administration will truly miss her and her wonderful work with us.

Added to the school system this year was Mrs. Marilyn Weis, Cleburne Public School health nurse. She graduated from the Laurelwood Academy in Gaston, Oregon, studied nursing at the College of Medical Evangelists in Los Angeles, and received her B. S. Degree from Texas Christian University.

Mrs. Weis visits the Cleburne Elementary Schools to give TB patch tests, vision and hearing checks, and to take care of teacher's referrals.

Mrs. Weis cares for anyone who needs medical treatment while in school, talks to students on special health problems, keeps accurate health and accident records, and plans and conducts school health schedules.

Another new face among the Cleburne Public School System staff is Miss Ruth Merrill, elementary choral music teacher. Miss Merrill spends an allotted time at each of the elementary schools teaching chorus to the students in the various grades.

Miss Merrill received her degree in music from the San Marcos State College. She taught chorus at Cleburne High School in 1951. Before beginning her work in the elementary schools. Miss Merrill worked in the County Superintendent's office, and was active with the Baptist youth of Cleburne.

ADDRESS Cleburne High School

There are two qualities which are found in every successful person. These are confidence and optimism. Because we cannot foresee the future, we must be optimists and expect the best. Only then can we justify our existence for the present. As an optimist, we not only can see an opportunity, but we can make the most of it. Democracy is only equality of opportunity, not equality itself. Perhaps the best democracy can ever do is to give every Caruso a "chance to sing."

Success should await if we do not allow some disappointment to make us lose hope and never try again. While we do not know what the future holds, we can at least retain our spirit of confidence and optimism. The future is in the hands of God and only He can give us the answer.

MR. CARL HUDDLESTON
Principal

Serving as Assistant Principal, housemaster of Edison, and instructor in bookkeeping, Mr. Cecil Harper fills these positions in Cleburne High School with accuracy and efficiency.

Miss Gene Anne Wheeler, secretary to the principal, takes care of the routine duties of the office. She has served in this position capably and efficiently for four years.

to follow it forever and ever. Long after I've forgotten trips and parties and crazy names and I'm sitting, rocking and knitting, by my fireplace, I'll still be able to pin-point the person who gave me a gentle nudge down that road in the right direction toward Christian living.

I love you most of all for this gift.

You said once (this I can remember) that we were very much alike. Then I couldn't see much similarity outside — just physical characteristics. But I'm trying and you just wait — someday, with a lot of love patience and understanding — I'll prove to you how much we are alike! By the way, Buddy, I don't know if you know it or not, but it's a grand feeling to be trusted. I'll also show you that your confidence has not been misplaced in me. (That's another prize pet peeve.)

Even though sometimes in a crowd when you look around and the completely different person seems to have assumed the person of another, maybe you know that really no lasting change could be made. You know — or hope — that change must sometimes take place when in the presence of others, but, always, that change will be only superficial.

Never fully believing that a person really, really thinks as much of one as she does of them — especially an all-around favorite teacher of so many people — makes one constantly strive to be much better (a "goodie" today than she was yesterday, and tomorrow than today, so that she can half-way prove to them that she does actually deserve (or wants desperately) their confidence, their trust, and most certainly their love. They say it takes a friend to have a friend — You couldn't know how hard I'm trying. And who knows Maybe someday I'll even get to drop the Mrs. K- and just call you plain ole' Betty Jo.

I hope that someday soon you'll find that Certain Something which everyone must seek and secure for himself — which will make your life complete (in every way. If your life will truly be enriched and enlightened fondest dream ment of your desired wish, all. He has promised us this in my estimation, amply met His goes with this promise. Jerry Hinkle seems to be taking it easy at the safety demonstration, but Jerry Walling just looks confused. On-lookers include Johnny Bridwell, Dick Bradbury, Kenneth Crawford, Mr. Higgins, and Mr. Wheat.

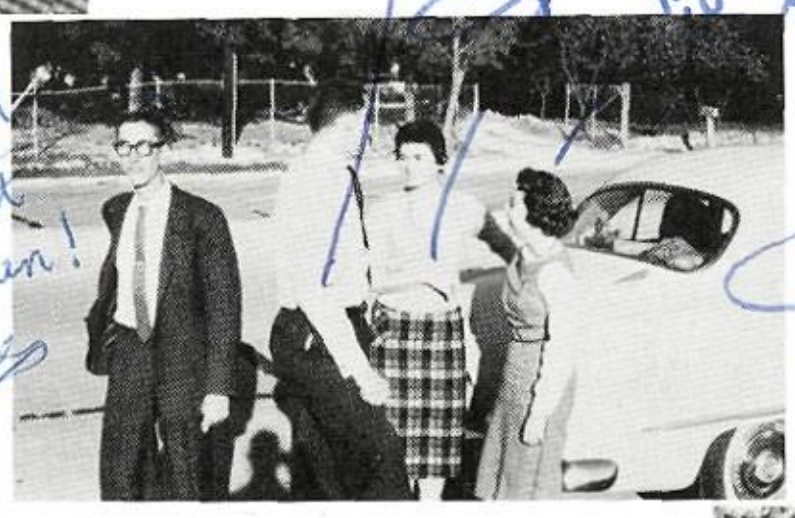
Linda Remember this event? Phala

2½ hrs late, but we were had fun! Dave



What a mishap! Chet Odom's car broke down on the way to the Journalism Convention at SMU. Senior Linda Hill and Junior Phala Williams seem to be enjoying the wait. David Morgan looks as if he is trying to catch a ride.

Riot!

Before the Homecoming game, the Key Club brought material for a bonfire which was lit before a special pep rally. Key Clubbers Don Ellyson, Jimmy Reed, J.T. Chapman, Bobby Walraven, Richard Ottinger, Larry Savage, Kenneth Crawford, Bob Benson, and Ronnie Hutson prepare for the big event.

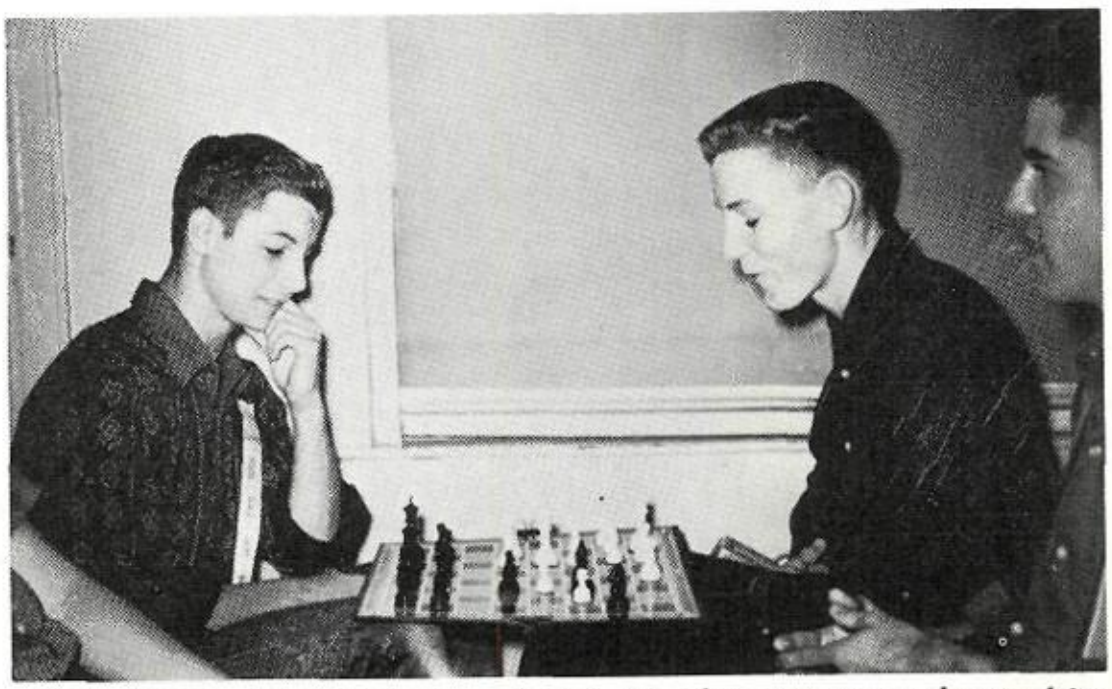
Ready for their plane ride are Bradford Riza, Richard Weatherly and Johnny Nelson. Good luck and happy landing.

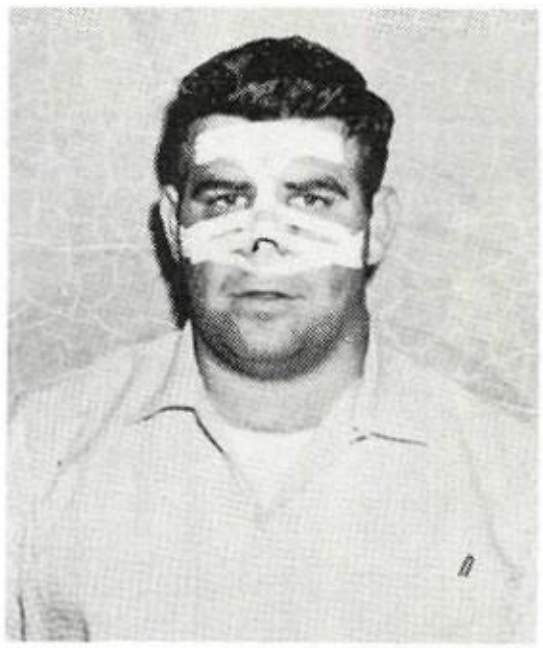
The first annual was sold this year to Lanelle Holder by Billye Joyce Coleman, Barton House Representative.



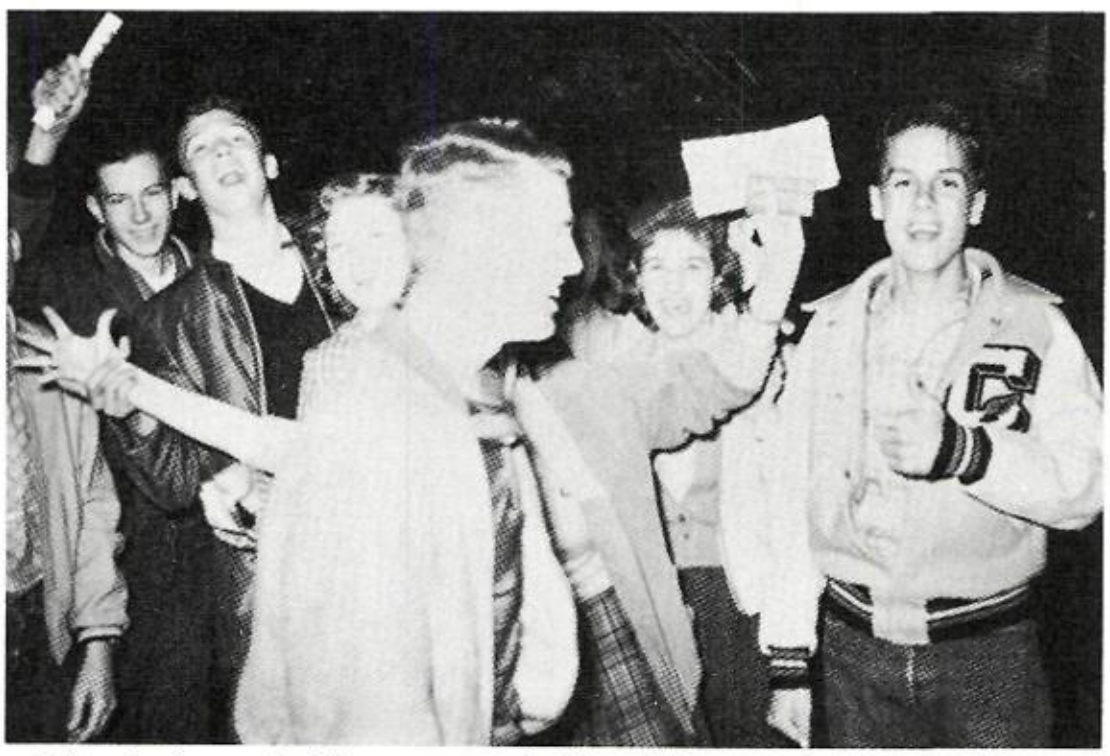
Mike Bryan, John Herman, and J. T. Chapman seem thoroughly absorbed in a game of chess. It's said that chess develops the mind; keep on trying, boys.

SCENES 'ROUND CHS

Many expressions are seen as these Cleburne High School students leave school to go to their afternoon activities. Billy Hallman seems to be the happiest.



It looks as if Wayne Copeland had an unfortunate accident with something, or someone! Better luck next time, Wayne.



What is the weird figure partly hidden behind Tommy Lain, Ronnie Bratcher, Linda Bleimeyer, Susan Daniels, and Kenneth Crawford? A wild guess is that it is Janice Baker.

Pam Gray gets going at a pep rally.

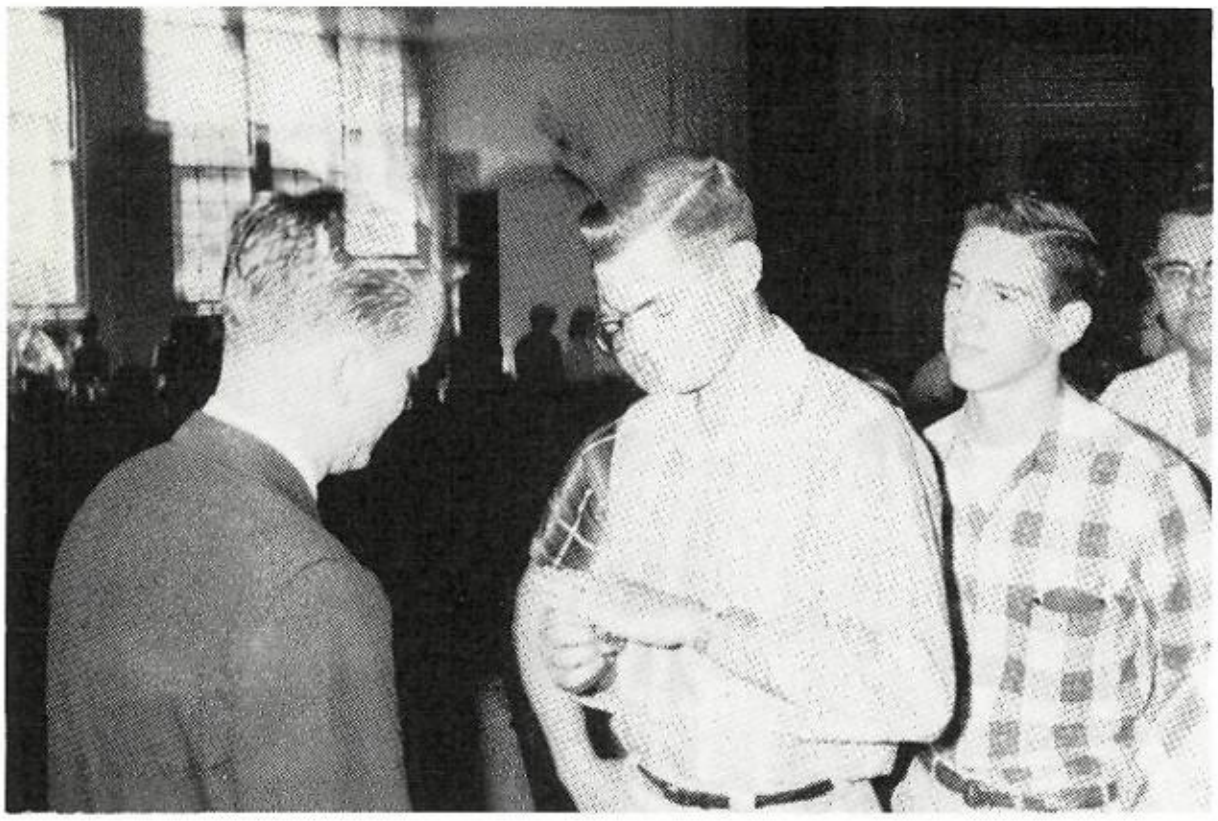
Thank you for putting me on your cabinet. It's a lovely place to be! Love, YAPPIE!

By George! By Bucky and I did too! Joyce

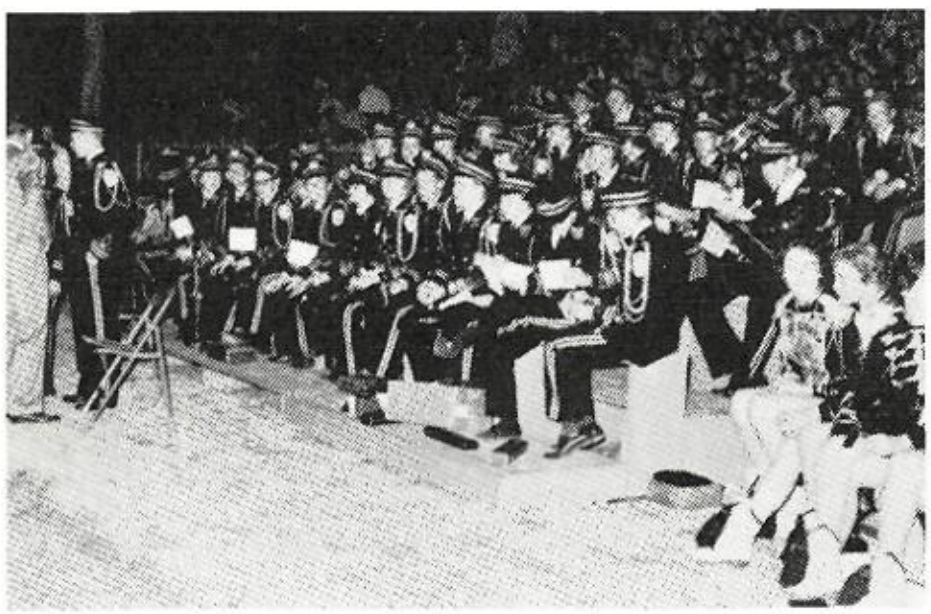
It may need painting again next year!

Rosellen Kerr and Martha Walls display their talents as they paint a yellow jacket on Mrs. Knox's filing cabinet.

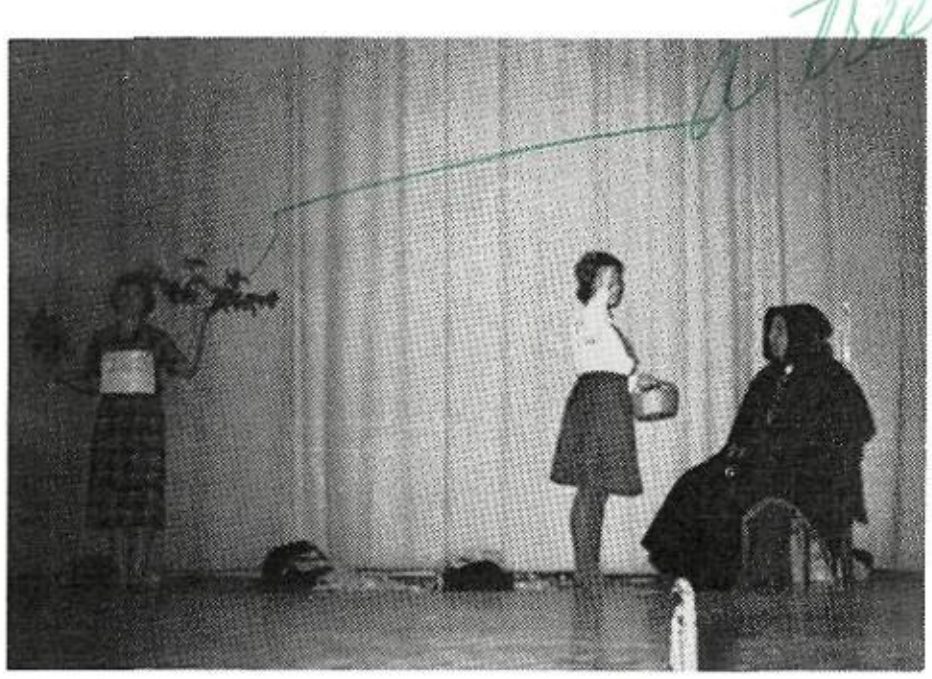
SCHOOL SNAPS



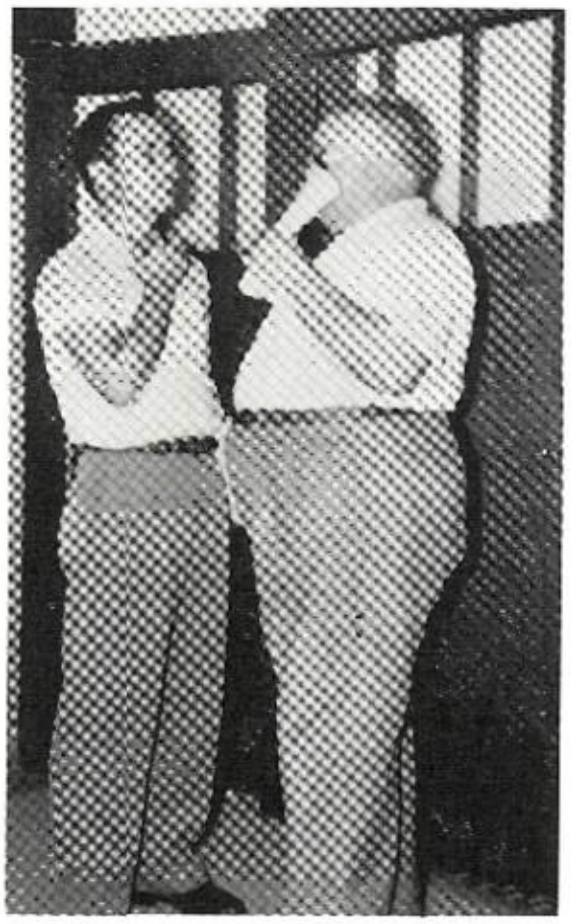
Doyle Hill seems very impatient as Rondell Fagan takes his time ordering his Senior ring. Those in line waiting had similar varied emotions.



Looks like the band members are frantically searching for music before the half-time show, while at the right Martha Morgan and Carol Ann Glenn carry on a conversation.



"Little Blue Victory" (Rosemary Paterson) gaily knocks on "Grandma's," (Wayne Copeland's) door as a "tree" (Dorothy Jackson) looks on.



"The heat is getting worse," whispers Mr. Bryan Duff to Assistant Principal Mr. Cecil Harper. The heat also got everyone else, last September.

At the SMU Journalism Convention on October 16, the three McQuire sisters were interviewed by various high school newspaper reporters. Mrs. Knox and Glenda Gibson were fortunate enough to have their picture made with Chris and Phyllis McQuire.

Nancy Sowell and Susie Fine, CHS "Siamese twins," were a double hit at a regular pep rally.

PEP RALLIES

How did Jean Dyer get in this picture with Jack Kellam, Kenneth Crawford, Charles Winter, Tommy Lain, and Larry Vereen? If you really want to know ask Charles Winter.

Larry Walls truly looks the part of an Englishman as he leads the student body in a "cheerio" yell at a pep rally.

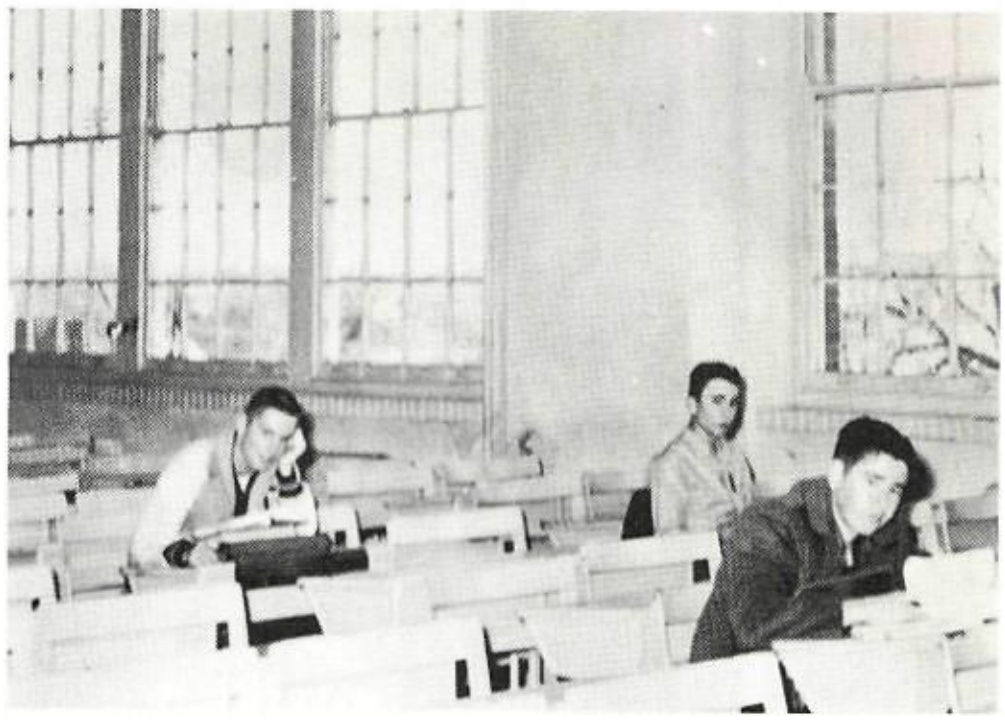
David McWilliams had no idea that he would make All-State as a center when he gave an inspiring pep talk at one of the pep rallies.

Hi! Glenda

This is a small portion of the tremendous crowd that was present to give the Yellow Jackets a big send-off as they journeyed all over Texas to become 9AAA Co-Champs.

SEEN HERE AND THERE

Jon Justice and Mr. Wheat display some of the numerous awards that the Future Farmers of America have won this year.



What is it that Grant Liser, Steve Younger and Neal Richardson are looking at? We don't think that it is their books.

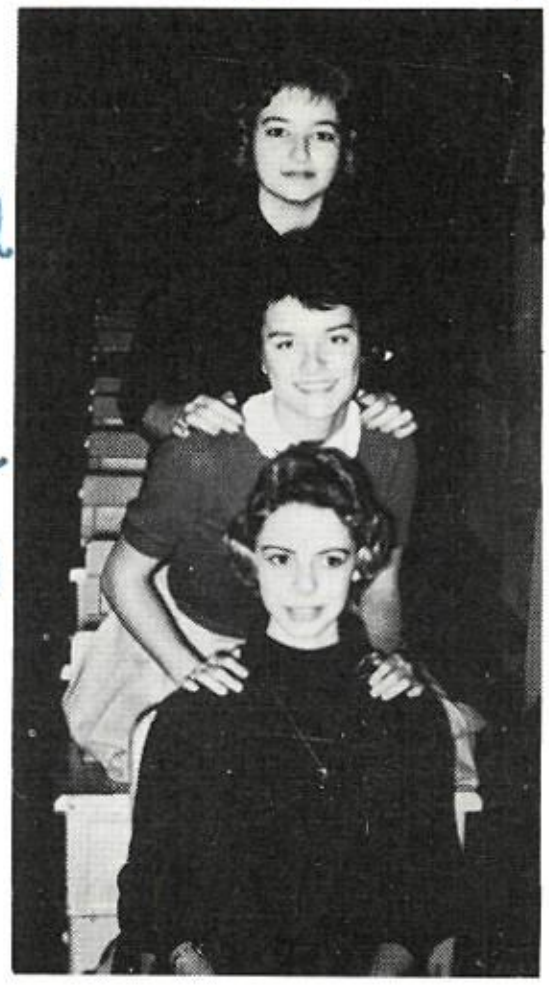
The Line-Up!

The band appears ready to go to work before a pep rally. All Judy Johnson, Carol Glenn, Joe Bailey Cole, and Glenda Howeth need is the nod of Mr. Whitson to start the music.

The Sweetest dedicated to the Sweetest teacher!

Love

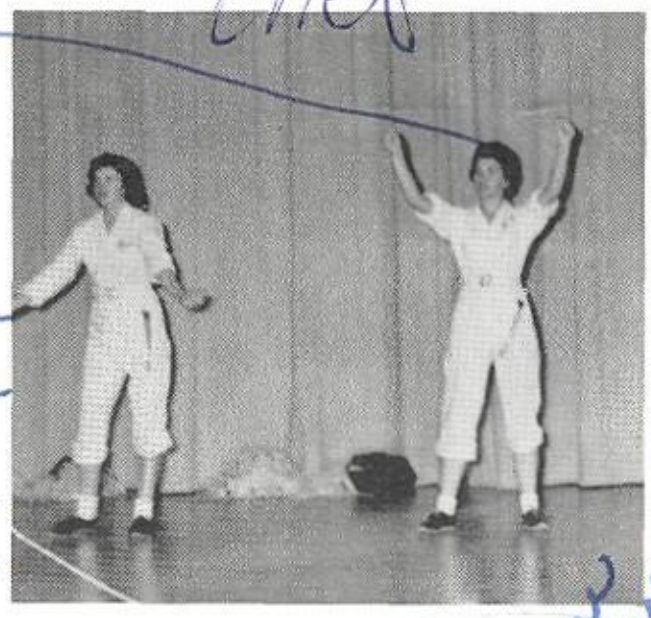
R.



Juniors, Carol Dawn Conway, Rosellen Kerr, and Sue Ferris, decided to sing together this year as a trio. They call themselves the "Three Melodies." Keep up the good work, girls; you sing well together.

SCHOOL EVENTS

Senior cap and gown measurements went along as usual until Henry Perkins became camera shy. However Clay Boston goes on with the figures as Rondell Fagan, John Bridwell, Paul Griffin, Chet Odom, and Walter Kennon await their turn.

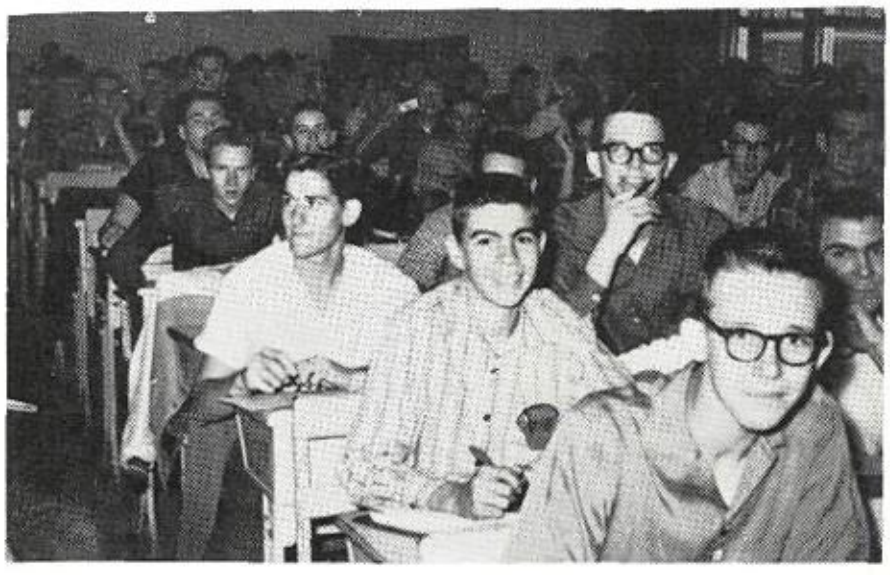


Becky Sue Walls and Chris Sunderman are really getting that CHS spirit at the first pep rally.

Linda Coulston, Phala Williams, Glenda Gibson, Martha Walls, and Dorothy Jackson seem to be writing up a hot story for the "Yapper."

The yell was heard:
"Be calm,
Be Cool,
And be collected."

It was put into effect by Johnny Love, Robert Parks, and Dan Mason as they appeared on the pullman to Falfurrias.



All of the boys in fifth period study hall certainly are not camera shy as this snapshot clearly shows.

that whatever it is will materialize someday. How am I so sure? After all, He and I are special friends, too.

Have I made you even want to cry as you read this? I hope so, for I meant every word of it or I never would have written it at all. If I didn't get the point over, then I'm no sort of a journalist at all.

Read this carefully — 2 or 3 times — and maybe between the lines you'll find what could never be said, but what is desired to be understood by a very special person.

I love you so much,
Jeannette

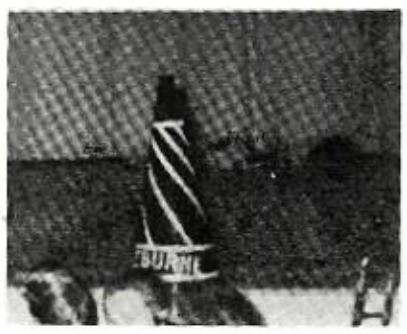
"Exs" Sam Walls and Doug Smith talk over old times at the Homecoming pep-rally with their favorite teacher, Mr. Durham.

SCENES SEEN AROUND C H S

Angela Anderson seems to be surprised by the camera. Anita Morrow, Pam Baker, and Marilyn Hill are unaware of the flash.

Who's holding who? Billy Rogers, Lewis Ard, and Joe George seem to be very tangled up. Maybe Jerry Hazelwood and James Graham can help.

A feature of the Homecoming pep rally was the presentation of Football Sweethearts from the years past. They are: Linda West, Wanda Jones, Claudia Moreman, Carol Ann Turner, Shirley Baker, Joy Gardner, Winnie Mae Brown, Farrell Walker, and Paula Medaris.



This megaphone spurred the Yellow Jackets to victory after victory.

For the first time in the CHS the yells were led by all girl cheerleaders. However, Nancy Johnson, Becky Walls, Chris Sunderman, Pam Gray, and Joyce Bishop demonstrated their unlimited ability for the task.

CAMERA CUTIES

Looking right into the camera are Jean Dyer and Jan Johnson. They seem to be having a hearty meal with friends.

A dance session in the middle of the night appears to be this scene. Enthusiastic partners are Brenda Barnett, Dianne Edwards, Judy Lee, and Betty Stinson.

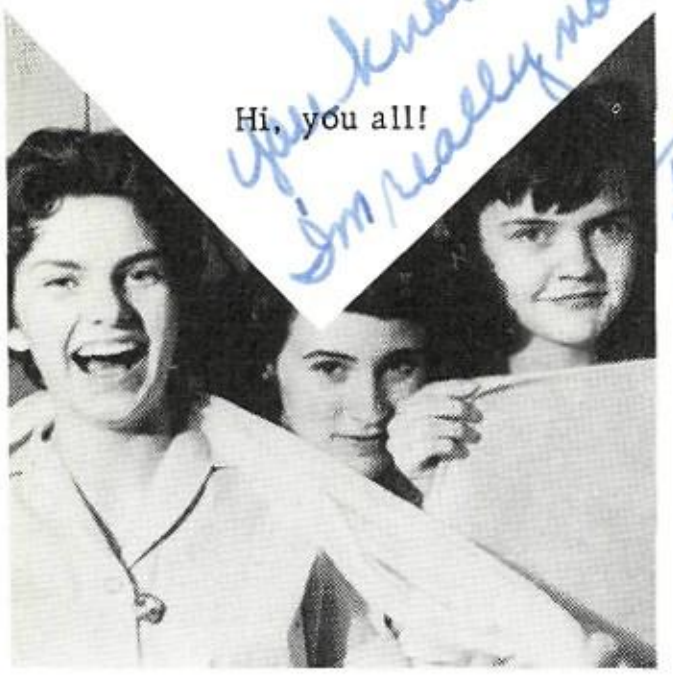
Assembled and ready to go are the members of the Senior social club DEB. Seventeen of the eighteen members are present for their party.

Stopping on the roadside for some lunch on the way to Falfurrias are Janice Baker, Adrian Clements, Martha Walls, Jackie Daniel, Don Case and Mike McNeel.

For the first time in CHS history, a Christmas tree was decorated in Barton House. This tree was gaily decorated by Billye Joyce Coleman, Betty Yater, Linda Hutson, Carolyn Arnold, Judy Doud, and Sharon McGlasson.

Who is this cute couple performing at one of the Friday pep rallies? Could it be Brenda Smith and Linda Hill?

SNAPS IN ACTION



One bold, and two shy girls pose in front of the picture-box, the camera. The bold is Kay Sanders, and the two shy are Martha Walls and Pam Baker.

Saturday is such a wonderful day, thinks these five CHS students. Having a good time are Annelle Whitehouse, Jackie Daniel, Mike McNeel, Adrian Clements, and Don Case.

Mr. Sam Boyd, former coach at Baylor University, speaks at one of the pep rallies. Everyone enjoyed his inspiring talk.

Enjoying a midnight snack are Janice Jowell, Brenda Barnett, Dianne Edwards, and Betty Stinson. Better watch those calories, girls, or you will gain weight!

A familiar sign goes up on Homecoming Day to welcome all ex-students back to Cleburne High School.

Don has served on the Yapper Staff one year, and been an active member of the Student Council and Student Forum.

YEA BLACK

"Yea Jackets, let's go!" This was the enthusiastic cry of the Cleburne High School cheerleaders as they did an excellent job boosting school spirit during the 1959 football season. CHS had a change in cheerleaders this year when six girls, two elected from each girls' house, replaced the three girls and three boys of previous years. Their

Probably every high school student has dreamed of being principal for a day. And the dream comes true for Pamela Jones when circumstances propel three students into the temporary roles of principal, vice-principal, and school secretary at Ames High School.

It all begins because Principal Lundquist just has to be away to speak at the State Principals' convention. Miss Dill, school secretary, has a terrible cold and insists on going home for the day. The vice-principal, Mr. Obermayer is confined to bed with a high fever. Then it is that pompous Mr. Ames, school board president, steps in and decrees that the student council officers shall take over the running of the school for the day.

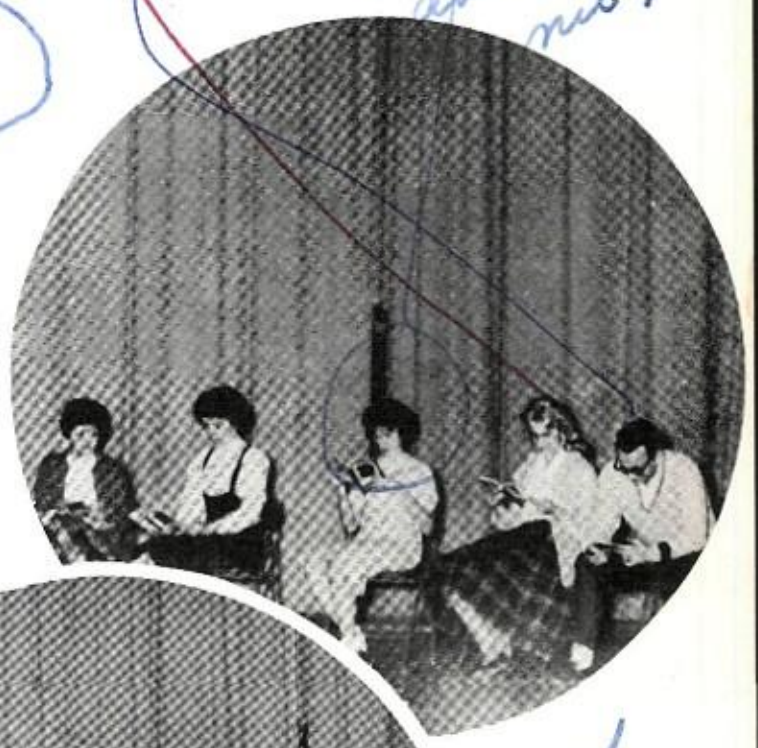
Pamela--as acting-principal--gets off to a bad start when, in trying to buzz for the janitor, she rings the fire alarm bell instead. Then she has to decide whether to stand behind an unpopular teacher and whether to keep the school's star athlete out of the State Basketball Tournament. Not the least of Pam's worries is good-natured "Buzz" Bailey, acting vice-principal, who grandly advises a gossipy student that there is to be "no more homework!"

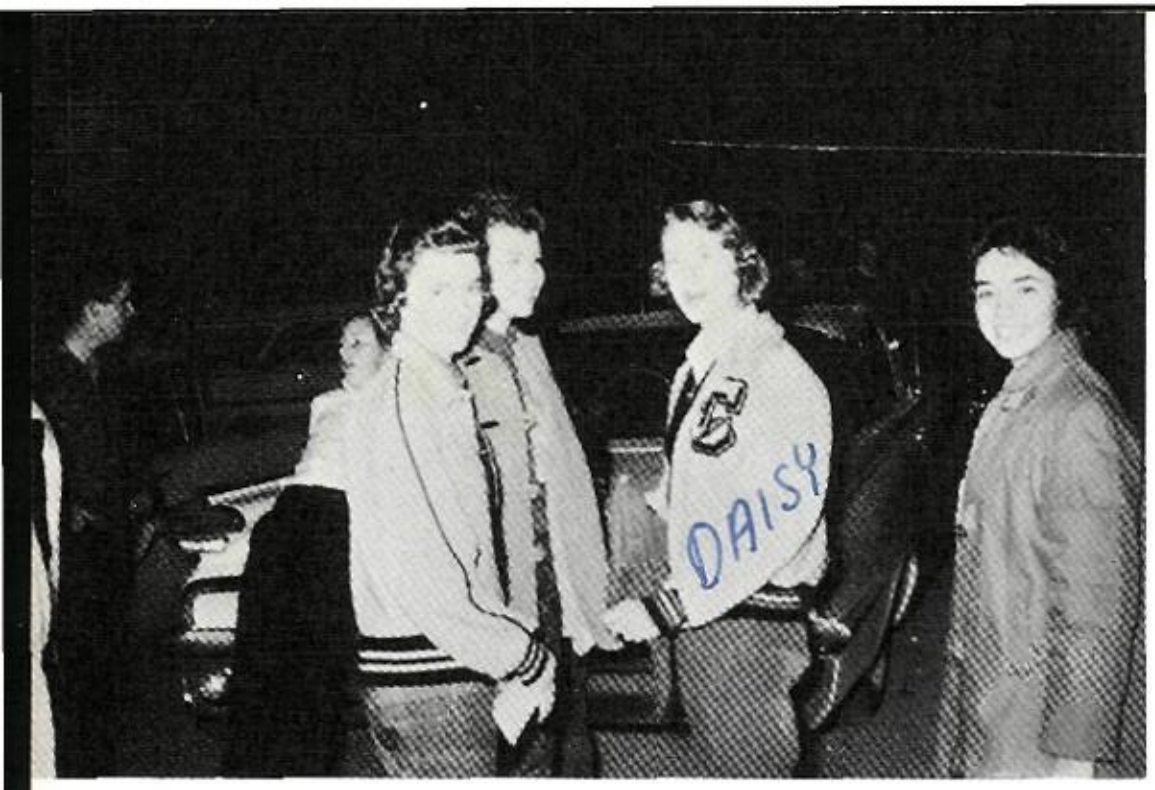
Then there's a would-be student, Faversham Lightly, Jr., who would rather sleep than eat--and spends most of his time doing one or the other. To add to Pam's many problems, the "home ec" teacher is late; and Shalimar Ames, Pamela's detested rival, turns on her honeyed charm to lure the reluctant "Buzz" into taking over the class--with some truly astonishing results. And finally, with the schoolplay, "Rusty Wings," scheduled to open this very night, the acting-principal loses the key to the trunkful of costumes.

However, the many complications are convincingly resolved before the final curtain, Shalimar's efforts to implicate Pam in the robbery of the play-ticket money are exposed, much to the dismay of Shalimar's pompous father. "Rusty Wings"--takes a surprising flight of success. And even the audience finds itself playing a part in the proceedings.

THE "TRYING" DAYS

"I wish my knees would stop shaking! What's happening to my voice?" think Sharon McGlasson, Barbara Clements, Jean Dyer, Daisianne Davis, and Billy Cohen, (top left); Betty McFarren, Linda Bailey, Mary Corzine, Kay Caldwell, and Don Ellyson, (top right); Chris Sunderman, Ann King, Dawn Rone, Shirley Matthews, Judy Davenport, and Johnny Love, (bottom left); Beverly Starnes, Marilyn Hill, Mary Lou Piott, Kay Jackson, Susan Sansom, and David McMinn, (bottom right).

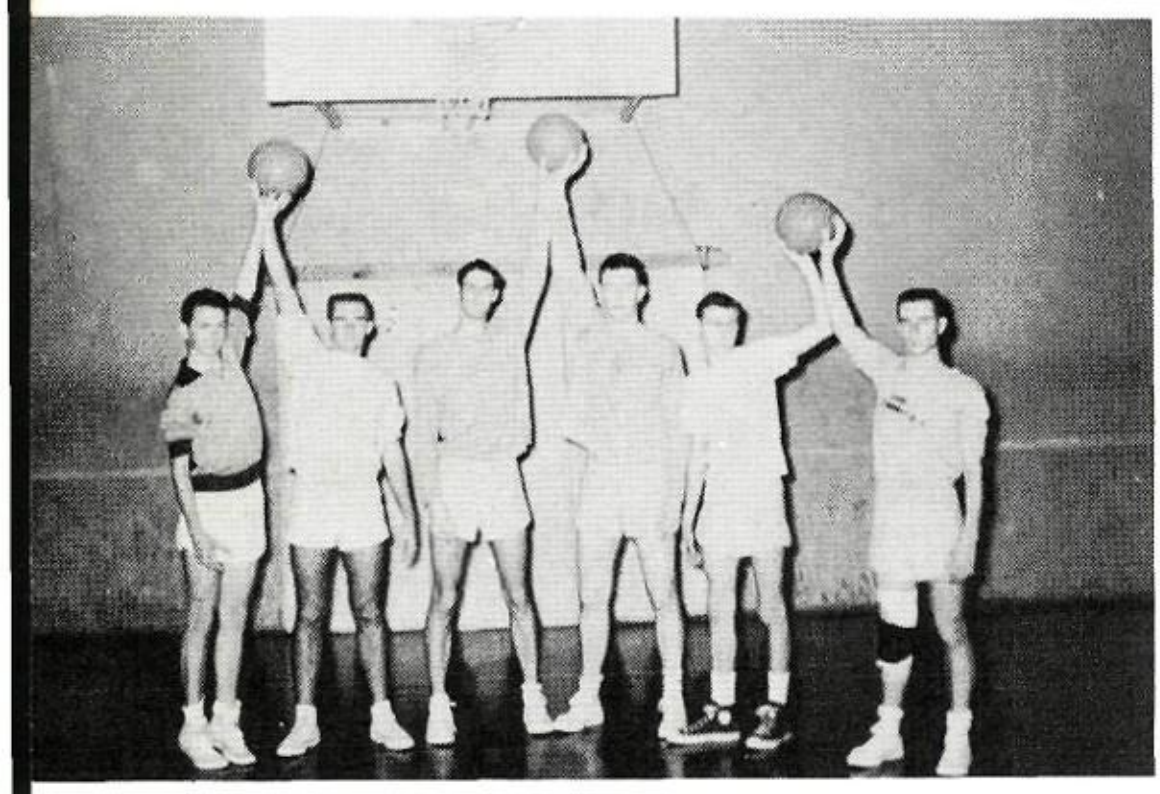




CANDID CAMERA

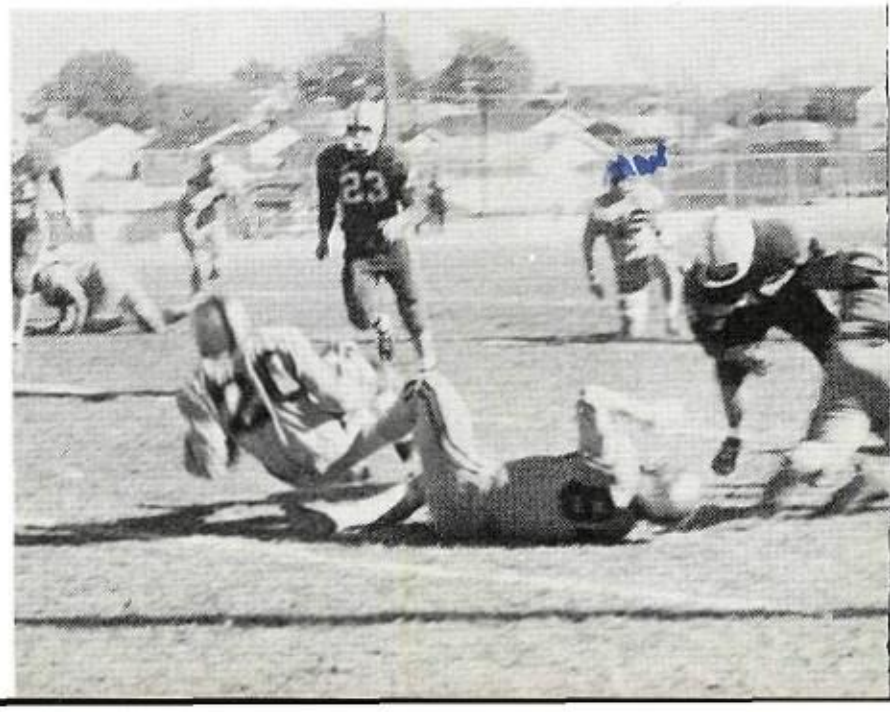
It looks as if the CHS annual staff dominated this scene at the Falfurrias pep rally, which was held at the train station before the Yellow Jackets left for the home of the "fighting Jerseys." Co-editor of the Yapper, Pat Perry, is pictured with annual staffers Jean Dyer, Rosemary Paterson, and Daisianne Davis.

Hey! Is this team loyalty? It seems that some of the loyal Yellow Jacket fans had rather pose for our photographer than watch the Breckenridge game. What about this, Janice Baker, Martha Walls, Jeannette Elmore, Sue Ferris, and Jimmy Wray?



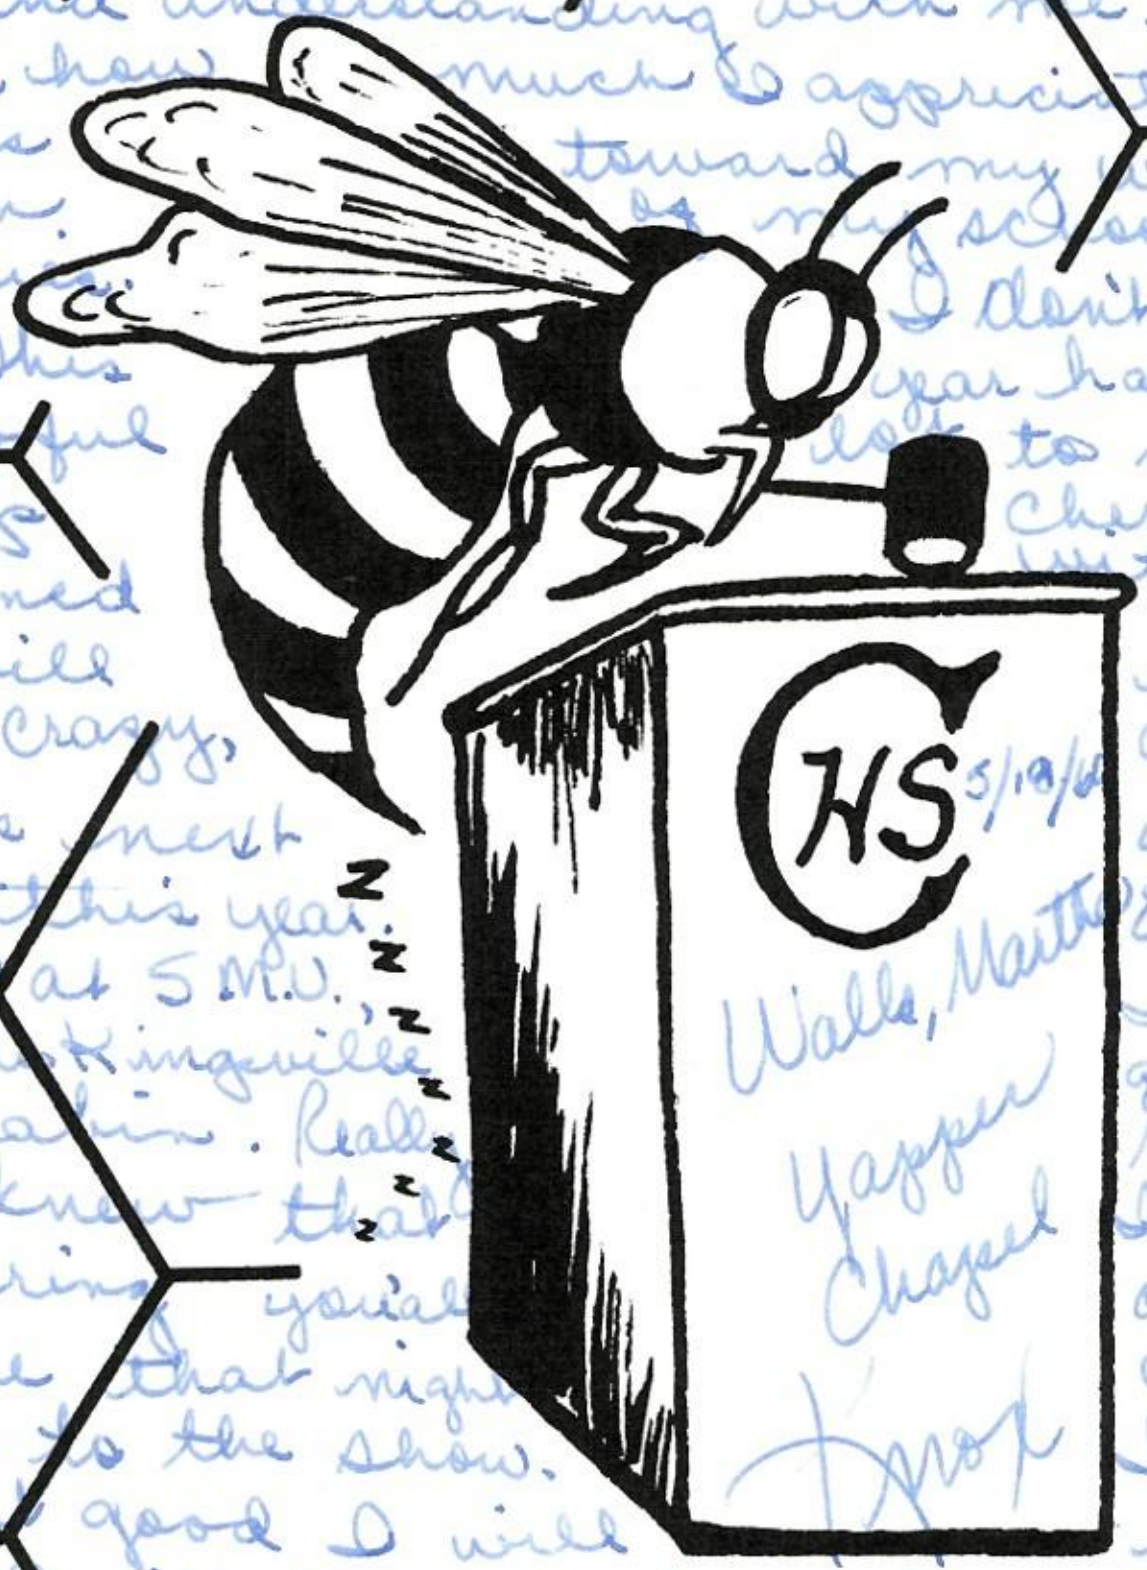
Cleburne High "roundballers" hold high the basketballs they played with during the 1960 basketball season. From left to right are Lewis Ard, Glen White, Verl Brown, John Swygert, Tommy Goodman, and Tony Matthews.

"All the way, Big Team, all the way," was the chant of the Cleburne High students, as they watched the 1959 Cleburne Yellow Jackets gain the title of STATE CO-CHAMPS 3-AAA. This was one of the exciting scenes of the Cleburne-Brenham game, with Albert Archer, Stephen Lee, Buck McCall, and Timmy Doerr in action.



HIVE ACTIVITIES

CLUBS



Dear Mrs. Knox,

It has really been a year packed full of fun, work, and good times. The "Yapper" has given many of us opportunities for a career in journalism. I have really appreciated the art of writing under this last semester. You have been so very dear and understanding with me. You may never realize how much I appreciate your thoughtfulness toward my work and your concern toward my school grades and activities. I don't deserve any of it. This year has really meant a lot to me and I will always Cherish the memories Concerned with it. I'm sure we will have as many good, crazy, and fun filled times next year as we have had this year. Especially the times at 5 M.W. Walls, Texas, listening to the Kingsville game down at the cabin. Really Mrs. Knox Mother knew that I was going to bring you all out to the house that night after we had gone to the show. I don't know what good I will be next year but I will try my best to make my part on the "Yapper" staff a success. I'm sure all the other juniors will go along with me in saying this is the best Class in Clarendon High School and we will make it continue to be so next year. You may want to hang us after a few weeks next year that is if you don't already want to!!

SCHOOL NEWS REPORTERS

Phala Williams, Mary Anne Rawlins, Norma Shenkir, Ruth Ann Johnson, David Morgan, Beverly Starnes, Brenda Stinson, Doug Shouse, Kay Caldwell, Chris Sunderman, and Suzanne Friou.

These first year Journalism students constitute the majority of exchange assistants and circulation assistants. Exchange requires promptness on the student in order to keep informed with other schools. Circulation is an equally vital part of the Yapper existence.

The Yellow Jacket Yapper has been known as always having a good sports section in years past. Sports editor, Henry Perkins; his assistant, Glenda Gibson; and other sports writers, Chet Odom, Charles Chapman, and Judy Davenport, and Tommy Bentley, have kept the old tradition. Bill Hallman provides the Yapper with pictures.

-YELLOW JACKET YAPPER STAFF

The second year staff of the Yapper consists of Judy Huckabee, Feature Editor; Genesa Smith, Circulation Manager; Leta Honeycutt, Column Editor; Camelia Stanfield, Exchange Editor; Marilyn Hill and Pat Perry, Co-Editors. Jeannette Elmore, a first year student, is the Assistant Editor. The sponsor of the Yellow Jacket Yapper is Mrs. Betty Jo Knox.

The art talent of the cartoonist is evident in each issue. The cartoonists include Joyce Bishop, Rosellen Kerr, Becky Walls, and Martha Walls. Since high school students are buyers of many things local merchants have to sell, the Advertising managers: Linda Coulston, Dorothy Jackson, and Susan Sansom have the responsibility of bringing the buyer and the seller together.

Dawn Rone, Beverly Yater, Linda Hill, and Daisianne Davis are the Feature writers whose duty it is to liven up the news pages with stories of special interest. Mary Corzine, Pam Gray, and Ann Turner are the columnists who impart humor, wisdom, and information to the readers in a distinctive manner.

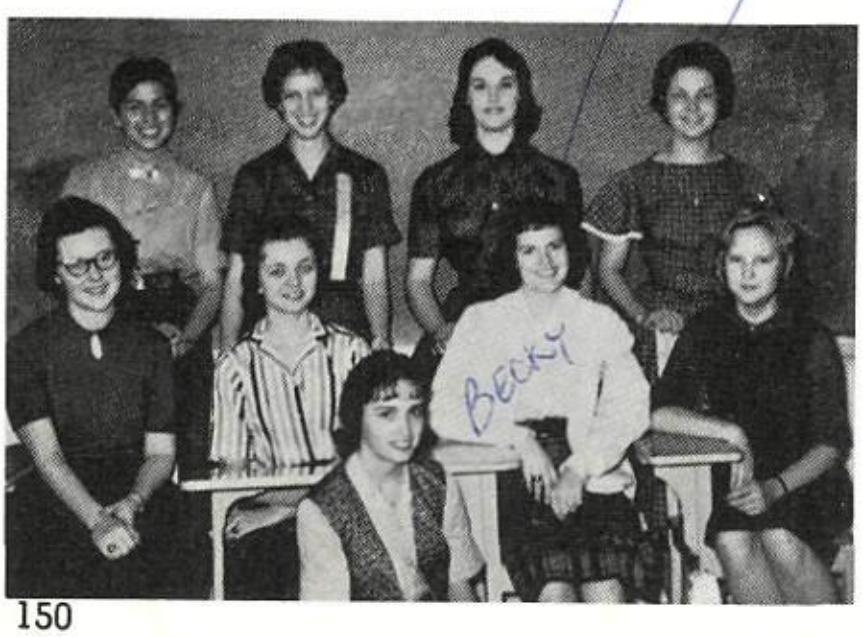
This is a portion of the jubilant Yellow Jackets after the game with Breckenridge.

Myra Sowell, Sharon McGlasson, Sandy Epperson, and Betty McFarren are enjoying a well prepared meal at Sandy's home.



These are the girls selected this year as sweethearts of the various clubs in CHS.

JACKETS SQUEAK PAST GRAHAM

Cleburne met Graham for the opening game this season.

Robert Parks downed Jack Rife after a fumbled snapback from center at midfield and the Jackets took over. Evans and Cohen made a yard each but the Jackets were forced to punt due to a loss of yardage. Graham quick kicked to the Jacket 27. Evans bolted for 11 and a first. On the next play Evans broke over tackle for 22 and a first down at midfield. Cleburne fumbled and Graham began to pass. On the first play of the second quarter, Graham ran 16 yards for the first score of the game and the extra point was good.

On the first Cleburne touchdown, Doerr passed to Evans on the 12, and Shouse took a pitchout for 6. Doerr calmly passed to Love at the left flag and the big end stepped over to score. Love's kick for the extra point was blocked.

The half ended with Graham holding a 7-6 edge.

After the halftime kick-off, the Jackets moved from their 35 to the Graham 15. Cleburne fumbled and Graham punted to the Jacket 34. Cohen started the Jackets rally with a 22 yard run. Love caught a pass for 8, McCall spurted for 6, then Doerr fumbled but picked up the ball and gained 2. The Jackets fumbled and the Steers took over. Graham was forced to punt and Shouse received the ball on the Graham 35. On the next play Doerr threw a pass to Shouse on the 10. Evans drove to the 6 and Doerr shot a pass over the goal in the right flat to Stephen Lee, Doerr's try for a two-point conversion was missed and the Jackets led 12-7.

In the fourth quarter Doerr was pinned behind the goal to give Graham a two-point safety: This ended the game with the score 12-9, Cleburne's favor.

STAMFORD EDGES CLEBURNE

The Stamford Bulldogs edged a 16-14 win over the Cleburne Yellow Jackets in the last seven seconds of the fourth quarter.

The Jackets fumbled on the opening kickoff and the Bulldogs recovered. The Bulldogs gave up the ball after four downs and the Jackets took over. McCall booted a dandy to the Stamford 30. Stamford was forced to kick after a 5 yard minus, on two plays. Thompson dropped back to punt. Earley hurled his shoulder into the ball. A swarm of Jackets pounced on Thompson as he fell on the loose ball on his own 11.

Archer got 2 on two tries, then Cohen split the middle for 8 and a first down on the 2, from where Timmy Doerr plunged over to score. Johnny Love booted the one-point conversion and Cleburne led, 7-0.

Tom Lovvorn passed calmly to end, Duane Lindsey for Stamford's first touchdown. Stamford missed the conversion try and Cleburne still led, 7-6. In the second quarter, Helmer shot through the middle on the Jacket's 38 and raced for a touchdown. Lindsey booted the conversion ahead to lead, 13-7, and this ended the half.

In the third quarter, the Jackets moved goalward, with Doerr, McCall, and Archer carrying and Love snaring Doerr's pass for 8 and a first down on the enemy 16. McCall dived for 8 and Doerr made a first down on the five as the third quarter ended. Doerr drove to the 1, then McCall blasted over to score on the second play of the final period. Love put the Jackets ahead, 14-13 with his successful conversion.

With two minutes left in the game, Lovvorn passed from his 35 to Jones for 16 and a first down on the Jacket 18. With Stamford on Cleburne's 10 yard line, Hensen calmly booted the winning score, a three point field goal from the 10 and the game was over.

JACKETS VICTORIOUS OVER PASCHAL

The Cleburne Yellow Jackets, who apparently cured their fumbling failing after three games, belted AAAA Paschal Panthers 29-6 at Fort Worth. As a result of Paschal's generosity, 4 touchdowns were scored by the Jackets.

Cecil Evans, Cleburne's hard-hitting halfback, stole three Paschal pitchouts and turned two of the thefts into quick touchdowns.

The first quarter was scoreless. In 11 plays, the Jackets moved a distance of 52 yards for the first score of the game. The touchdown was made by Evans. The first half ended with Clebûrne leading 6-0.

The first score of the second half was made by Evans lugging a pitchout to the 1, then crashing over to score on the next play. Doerr passed to Robert Parks on the next play for two points and Cleburne led, 14-0. Evans pulled the thievery again after a 51 yard punt from Buck McCall and raced 19 yards for a TD. Love kicked the extra point and Cleburne had a 29-0 lead going into the final quarter.

After a Paschal punt to the Cleburne 10, King bulled for 13 yards on 3 plays. Archer and Parker chipped in with another first down before Paschal stiffened. Parker punted to the enemy 38.

The reserves were unable to sustain a drive and with time running out, Robert Parks punted dead on the Paschal 40, from where the Panthers moved in 10 plays to score. The clock showed 31 seconds remaining when Dobbs crashed over from the 1. A penalty nullified the first two-point conversion and Woods missed the second try. The game ended with the score 29-6.

The outstanding names throughout the game were Robert Parks, David McWilliams, Bill Earley, and Tommy Bentley, who were staunch defenders throughout the game.

JACKETS OVERRUN ENNIS

Every member of the Cleburne Yellow Jacket football squad logged playing time as Cleburne victoriously overran the Ennis Lions, 54-6.

The Jackets scored on the second play after the kickoff, when Cohen broke left tackle, cut back and ran 50 yards for a touchdown. Love's conversion try was wide. Five minutes later the Jackets had counted again. Cleburne moved 32 yards in 4 plays to score with Doerr passing the final 13 yards to Love for the counter. Love kicked the point and Cleburne led, 13-0. With only 40 seconds left in the first quarter, Cohen scampered 21 yards for the Jacket's third TD. Doerr passed to Evans for two points.

With Yeary at quarterback, the Jackets rolled on. A 39-yard pass to Lee, a 6-yard run by Shouse, and a 4-yard plunge by King gave the Jackets a 26-0 lead.

Ennis moved the ball to the Cleburne 6, where Cleburne took over. Cleburne moved the ball to the Ennis 40 from where McCall punted to the Ennis 26. Two plays later Younger intercepted a pass on the Ennis 37. Parks, quarterbacking, lofted an aerial to Shouse for the fifth TD of the first half.

The first unit scored the first touchdown of the second half on a 20-yard pass from Doerr to Robert Parks. Love booted the conversion to set the score at 40-0. Younger stopped an Ennis threat by intercepting a pass on his own goal line and eleven plays later Parker wormed his way eleven yards for a touchdown. Love's kick sent the Jackets ahead 47-0. Ennis then scored to make the tally 47-6. Twelve plays later Archer threaded his way through center for 16 yards and the final TD. Love's extra point kick made the score 54-6. Younger intercepted his third pass on the Cleburne 12 and the Jackets moved the ball to their 34 as the final whistle sounded.

Albert Archer carried the ball for one of the many gains against Ennis. The Yellow Jackets aiding him were John Ed King (36), Ronnie Boyer (68), Jerry Smith (82), and Harold Brawner (70).

JACKETS ROUT LEOPARDS

Early in the first quarter, Jacket end Robert Parks recovered a blocked quick kick to set up the Jackets first touchdown. From the 6 McCall ploughed to the 1 and Evans carried it over. Love converted for the extra point.

After the kickoff, the Jacket's strong defense held Gainesville and Kidd punted to midfield where Shouse took the ball and handed off to Cohen on the 50. The speedster had excellent blocking and he traveled all the way. Love's try for extra point was blocked and the score stood 13 to 0.

The Leopards took the kickoff and started a drive, but McWilliams and Bentley stopped it cold with fine defensive play. The Jackets moved rapidly for another touchdown but it was called back because of a holding penalty. The ball changed hands twice before the half ended.

Gainesville tried passing with fair success until Cohen intercepted a pass. Several plays later Doerr hit Love on the 12 and Love went over. Doerr passed to Parks for the extra point and the score was 20 to 0.

The reserves took over for a few minutes and then the starters moved back in to score the final touchdown. Shouse ran the last 25 yards, and the conversion try failed. The score was 34 to 0.

The remainder of the game was played by the reserves with neither side threatening.

JACKETS SQUEAK BY CORSICANA

The Jackets got a break on the kick-off which helped them to rack up a touchdown not long after the game started. Evans fell on the ball on the Corsicana 38, and Cohen got 14 and a first down on the enemy 24. Cohen, McCall, and Evans moved to the 20 in 3 plays. Doerr passed to Evans for 14 and a first on the 6. Cohen went wide for the touchdown but the extra point was missed.

Corsicana couldn't move after the kick-off and they punted. On the second play Cleburne fumbled; Corsicana recovered on the Cleburne 24. In 3 plays including a penalty Corsicana scored, completed their extra point and led 7-6.

After a series of fumbles and pass interceptions, things looked better for Cleburne. Doerr threw a pass toward the goal line. The pass was intercepted on the 2 but Love was there to chase him back over the goal and drag him down for a safety. The Jackets then led 8-7 at the half.

Cleburne took the second half kick-off. Evans, McCall, and Doerr moved the ball to the Tigers 8. Evans went to the 4, but the ball was fumbled on the 3. Corsicana punted to Shouse who took a fair catch on the Corsicana 34. Seven plays later Cohen streaked around his left end to score; the conversion was missed.

Corsicana returned the kick-off to their 44. After a 47 yard pass, Corsicana scored, but Cleburne still led. The teams exchanged the ball until the clock ran out. The game ended with victory for the Jackets. Cleburne 14, Corsicana 13.

JACKETS ROUT STEPHENVILLE

The Jackets took the opening kick-off and made a touchdown within four plays with Cecil Evans going wide for the final 35 yards. Johnny Love booted the conversion to set the score at 7-0.

Stephenville returned the kick-off to its 27 yard line. Robert Parks recovered for Cleburne on the Stephenville 27. A few plays later Buck McCall zipped through the middle 25 yards for the second touchdown. Love added the extra point for a 14-0 lead.

Stephenville bogged with the kick-off on their 14. Doerr recovered a fumble on the Stephenville 16. McCall dived for a first down on the 1 and breezed over for a touchdown on the next play. Love's kick was wide and the score stood at 20-0 with only five and half minutes gone in the game.

The reserves were now in the game for Cleburne. They were in only a short time until they scored. Shouse kicked the extra point and set the score at 27-0.

Immediately following the kick-off Cleburne recovered a fumble and drove for another score. Shouse kicked the extra point and the score was now 34-0.

Late in the second quarter, after the ball had changed hands several times, the Cleburne reserves scored again. Shouse kicked the extra point and Cleburne now led 41-0.

There was no scoring in the third and fourth quarters and Cleburne had won their first district game by a score of 41-0.

JACKETS BLANK KILLEEN

The only score of the game came deep in the second quarter. McCall blasted for 3 and Doerr hit Parks on the 5 and slipped over for the touchdown. Cleburne led 6-0. There it stood for the remainder of the mud battle.

On the first play after Evans recovered on the 26 in the third quarter, Cleburne drew 15 for holding. Two plays gained 5 then Killeen drew 15 for holding, to put the ball on its 21. It was second and five needed for Cleburne. McCall got 3, then off setting penalties slowed the play. On the fourth down, Cohen was hit after he had gained only 2, one sly of a first down and Killeen took over on its 21. It was then the visitors controlled the ball for 9 plays and moved to the Cleburne 31 before Doerr's interception halted the push.

The Jackets got to the 17 again, late in the fourth quarter, after Bentley and Earley strapped Buckley on the 40. From the 40, McCall got 5 and Cohen went wide for 14. With 51 seconds left to play, Doerr kept twice for short gains before Cleburne fumbled.

Killeen took over on its 17, but it was too late and too wet to play. A pass was incomplete, then another with five seconds left to play. So with the off setting penalties in order, the muddy battle came to an end.

JACKETS TRAMPLE TROJANS

The Jackets received an early break by a partially blocked Trojan kick. Doerr, Evans, and McCall made contributing runs. Then Cohen took a pitchout and scored. Shouse converted, and the score was 7 to 0.

The Trojans took the kickoff and moved it some 30 yards before our defense toughened and held them. The Jackets had an impressive drive going but it was broken up by an intercepted pass as the first quarter ended.

The Trojans couldn't move the ball and punted to the Jacket thirty. From there the Jackets moved to score in 12 plays, with Evans doing the honors. Doerr passed to Lee and the score stood 15 to 0.

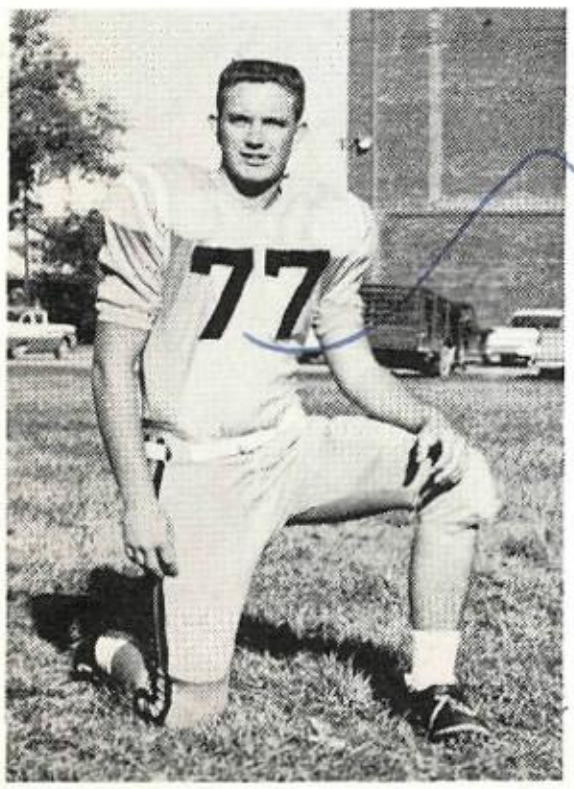
The Jacket defense held the Trojans after the kickoff and they were forced to kick. Lightning struck the Trojans in the form of McCall, who sprinted 69 yards to score on third down. Shouse missed the conversion and the score was 21 to 0.

The second half was a repetition of the first. After a Trojan fumble, the Jackets quickly made it 27 to 0 with Doerr doing the honors. For a short while afterwards the Trojans held the Jackets but couldn't move the ball themselves. Then Cleburne broke loose and Doerr ran over for the score. Doerr passed to Lee and the score was 35 to 0.

The Trojans made their only score on the ensuing kickoff. The Jackets took the ball and punted as the third period ended. Shouse intercepted a Trojan pass to set up the last touchdown. Doerr starred again with a 26 yard run for the final tally. Shouse kicked and the score stood 42 to 6.

The only other Trojan drive was stopped when McWilliams intercepted a pass. The reserves finished the game.

Richard Ottinger, Tackle



JACKETS CLOUT LA VEGA

The Cleburne Yellow Jackets defeated the La Vega Pirates to give them their fourth straight district championship.

The Jackets took the kick-off and within 17 plays, scored. McCall blasted through tackle for half yard and a touchdown. Shouse booted the conversion to give Cleburne a 7-0 lead.

The Pirates made 39 yards in 8 plays. They then scored putting the score 7-6. Their try for the conversion was missed.

In the closing minutes of the second quarter La Vega fumbled and Parks recovered. Cleburne put 6 more points on the score board 3 plays later. Doerr ran 23 yards to the 7, and Cohen to the 4. Then Evans ran over tackle to score. The half ended with the score standing 13-6.

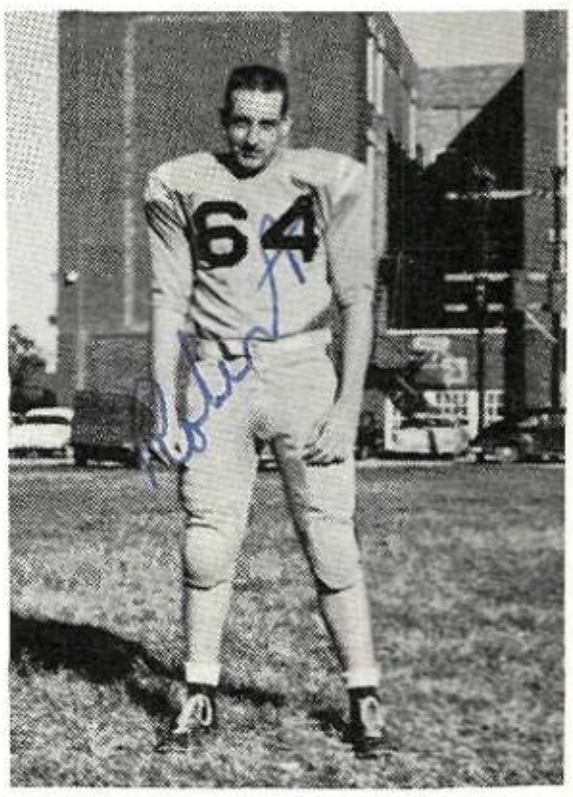
After the kick-off, McCall hit the center three times for a total of 17 yards and a first down on the La Vega 39. Doerr bootlegged around his own right end to score and Shouse booted the extra point to set the score at 20-6.

In the fourth quarter, David McWilliams intercepted a pass and ran to the enemy 25. After several failing attempts for the touchdown, Timmy Doerr fired a pass to end Stephen Lee, who made a great catch just short of the goal line. Lee literally took the ball away from a defender and crashed over to score. The try for the extra point was missed. The score at this point was 26-6.

Bill Parks went in the game as quarterback. Parks passed to Robert Parks on the 4. Two plays later Parks passed to Stephen Lee over the goal and Love booted the extra point to set the final score at 33-6.

Tommy Bentley, Tackle

Robert Finklea, Guard



Quarterback, Timmy Doerr ran around left end late in the second quarter for twelve yards. Cecil Evans, who is aiding Doerr, was one of the most important players against La Vega.

JACKETS NUDGE BRENHAM

The Jackets worked hard for the first touchdown but even harder for their second. Doerr passed 14 yards to Johnny Love and Love lateralled to Evans who picked up 15 before he was tackled in enemy territory. McCall speared the ball on the Brenham 34, and returned 10 yards. Evans plowed for 15 to the 9 and got 2 more as the quarter ended. The score came on the third play of the second quarter after McCall and Evans drove to the 1. McCall bulled over but the extra point was missed. Cleburne led, 6-0.

The third quarter went scoreless. Brenham punted out of bounds on the Cleburne 22 early in the final period. Cleburne fumbled and Brenham recovered on the Cleburne 28. Brenham drove toward the goal and scored. The try for the extra point was good and Brenham led, 7 to 6.

On the first play after the kick-off, the Jackets began their 66-yard course for another touchdown. They took the kick-off on their 34 and moved 66 yards in 14 plays. The Jackets made the touchdown leaving three minutes to play. The score stood at this point 12-7.

Then the Jackets made their drive for their third touchdown. Shouse got 10 in two tries, McCall almost got loose and ran for 28 yards to the Brenham 17. Brenham drew 5 for offside, and Evans hit tackle for 8, to put the ball on the 4 with 23 seconds left to play. Shouse ran to the 2, and Doerr hit center and was shy by a yard of Cleburne's third score when the gun sounded.

JACKETS RAP TIGERS

The Yellow Jackets twisted the Tigers tail four times in the first half, then crushed La Marque with three touchdowns after intermission to drive into the 3A state high school football semifinals, 28-0, Saturday.

The Jackets drove 57 yards for the touchdown that gave them a 6-0 halftime lead. Buck McCall made 2 touchdowns within the first 7 minutes of the second half. After a series of interceptions and exchanging of the ball, David McWilliams grabbed the ball after Cecil Evans batted the ball out of La Marque's quarterback, Lynn Etheredge hands, and ran to the 43. Within the next 14 plays, Cleburne produced a touchdown. Cohen and McCall blasted for yardage and Timmy Doerr completed a 7 yard pass to End Stephen Lee who ran to the La Marque 26 making a first down. On the second play, Doerr threw a pass to Stephen Lee at the 6 for a 22 yard gain. Then Evans blasted for 3, McCall for 2, and Cohen for the final yard.

Cleburne struck 59 yards in 3 plays for another touchdown after Evans returned the second half kick-off 12 yards to his 41. Cohen ran for 2, then Doerr pitched out to McCall heading right. McCall made an incredible run. He seemed to be trapped twice, but the Cleburne fullback, spun around, spun the tacklers off and struck off down the right sideline for an 87 yard touchdown run.

La Marque's first play after the kick-off set up another Cleburne touchdown. Earley crashed into Etheredge attempting to hand off, the ball bounced free, and Parks covered it at the La Marque 37. Within the next 10 plays, Cleburne scored another touchdown, Cohen made 9 yards on a double reverse and Evans rammed the final 3.

Mrs. Foner, this is my big boot. Remember all the fine I tripped over it! Tommy

Timmy Doerr (15) seems to be getting all the support possible to deliver this pass. The defenders are Jimmy Parker (40), Bill Earley (62), Robert Finklea (64), and Stephen Lee (84).

Speedy Yeary makes a nice gain against the Falfurrias Jerseys. John Ed King, Stephen Lee, Johnny Love, and Jimmy Reed were all trying to clear the passage.

JACKETS BELT JERSEYS

The Jackets took the opening kickoff and in only 13 plays had scored. Shouse's kick for the extra point was good and the score stood at 7-0.

The ball then exchanged hands twice and Falfurrias made its strongest bid to score, moving from their own 26 to Cleburne's 12 before Evans intercepted a pass. In only 4 plays after the interception Cleburne had scored again on a 45-yard pass from Timmy Doerr to Stephen Lee. Shouse kicked the extra point and Cleburne led 14-0.

With only 21 seconds left in the first quarter, Cleburne scored again on a 42-yard pass from Doerr to Lee. Shouse's kick was wide and Cleburne now led 20-0.

In the opening minutes of the second period, after Falfurrias had controlled the ball for seven plays, Cleburne scored again on a 35-yard sprint by Cohen. Shouse's conversion was no good and Cleburne extended their lead to 26-0.

With 51 seconds left in the first half, McCall scampered 31 yards for another six points. Doerr then passed to Parks for two and Cleburne led at the half 34-0.

Following the opening kickoff of the second half Shouse intercepted a pass and returned it to the enemy 13. Then on second down Doerr passed to Lee for another touchdown. Shouse missed the extra point and the score stood at 41-0. The ball then exchanged hands once after the kickoff and placed Cleburne on its own 25. Doerr then heaved a pass to Lee for the score. The play covered 75 yards and gave Cleburne a 47-0 lead. Shouse missed the try for extra point and the score so stood.

The Jacket reserves entered the ball game and soon after the Jerseys scored their one touchdown. Gonzales then passed to Hernandez for two points and the score stood at 47-8.

With second down and 25 needed from his own 38, Doerr sent Cohen down the middle and fired a pass which the fleet back caught on the dead run, covering 62 yards for the final score.

Cleburne defeated the Falfurrias Jerseys, 53-8.

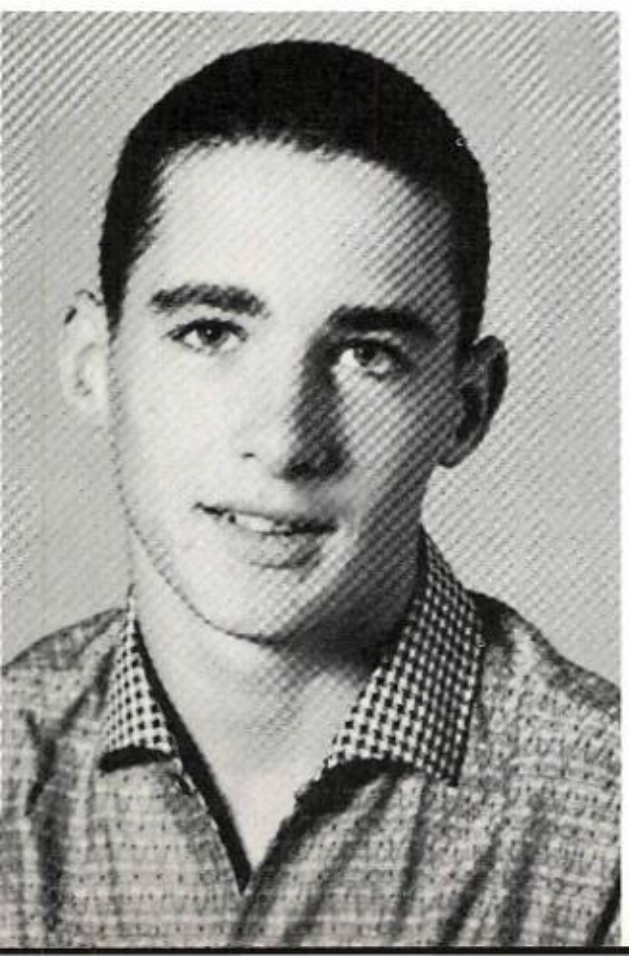
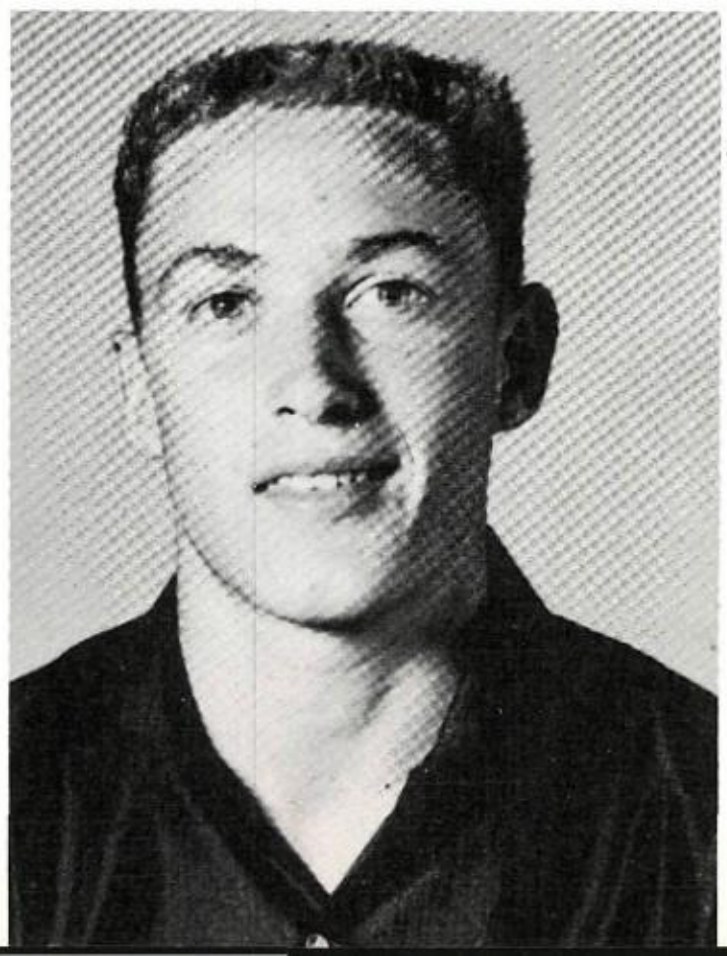
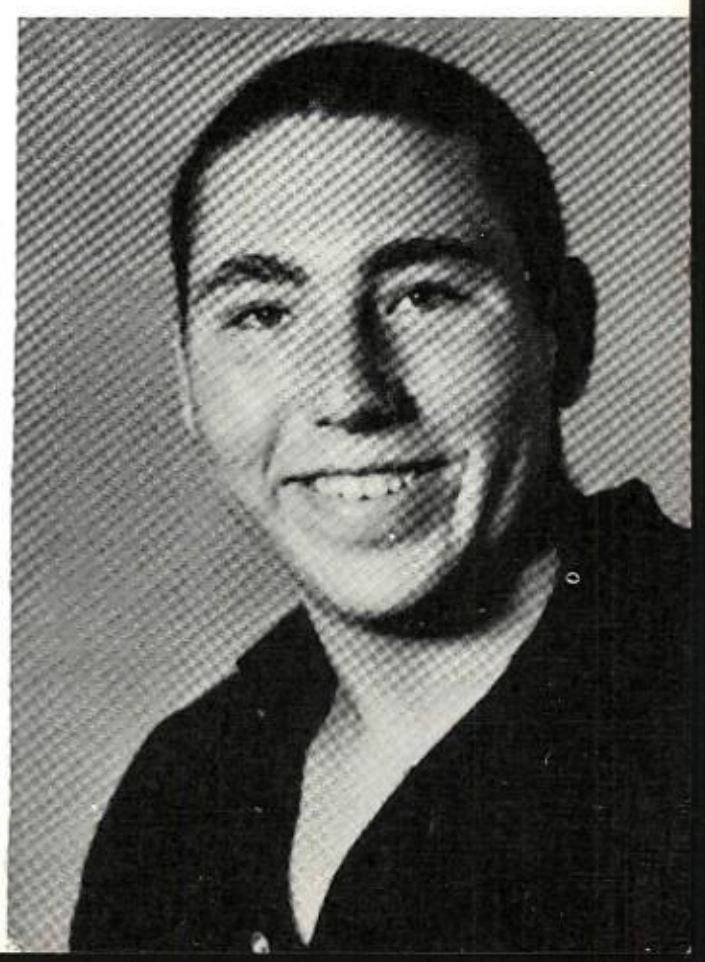
This is the first time the Most Valuable freshman player award has been given to two boys to share in several years.

The "B" team chose Jon Whites bottom middle, to receive the Most Valuable "B" team player award.

Each boy had his name inscribed upon the trophy he won, and was allowed to keep the trophy for several weeks. The trophies are now in the CHS trophy case.







CLEBURNE-BRECKENRIDGE TIE, 20-20, TO SHARE A A A TITLE

The Jackets kicked off to the Buckaroos and Troy Kennedy took the kick-off on his own 10, ran to the 20, was hit, and Robert Parks recovered the fumble on the Cleburne 45. After two plays, Doerr threw a pass to Cohen for 16 and first on the Breckenridge 61. Cleburne fumbled and Breckenridge began their move down field.

On the first play, Dicky Rogers sprinted 37 yards. On the next play Rogers broke his collar bone and left the game for good. Gibson fumbled and Earley recovered for Cleburne on the Jacket 22. Within the two next plays Cleburne fumbled and Breckenridge recovered on the Cleburne 28. Gibson hit West with a quick pass and he whirled over to score. Gibson ran the ball over for two extra points. This completed five minutes of the game and Breckenridge led 8-0.

Cohen received the kick-off and ran it to the Cleburne 29. On the third down, Doerr fired a pass to Johnny Love for 21 and a first down on the Cleburne 49. On fourth and five McCall punted dead on the Breckenridge 13. Breckenridge moved the ball to the 44 within four tries and were forced to punt.

Beginning the second quarter, Breckenridge was in possession of the ball. After four plays they punted dead on the Cleburne 44. Cleburne was unable to move the ball and they too were forced to punt. After a 29 yard gain and a 41 yard gain, the Bucks were on the one yard line. Breckenridge realized the strength of their foe because the Jackets held for downs on two plays and then took over the ball. Jimmy Parker booted the ball out of his end zone but Breckenridge returned to the 9. Gibson went over for another touchdown but Parks strapped him on the line of scrimmage in his try for the 2 point conversion. The Bucks were leading the Jackets 14-0.

McCall returned the kick-off to his 30. Doerr hit Stephen Lee on the first play with a perfect pass on the 50. Lee ran to the Breckenridge 42. Doerr fired to Evans and the halfback snagged the ball, twisted out of the arms of a Breckenridge defender and angled for the flag. Big Stephen Lee blocked another Breckenridge defender and Cohen cut another almost in half at about the 20 as Evans sailed in with Cleburne's first score of the game. The conversion was no good and the score was in Breckenridge's favor, 14-6.

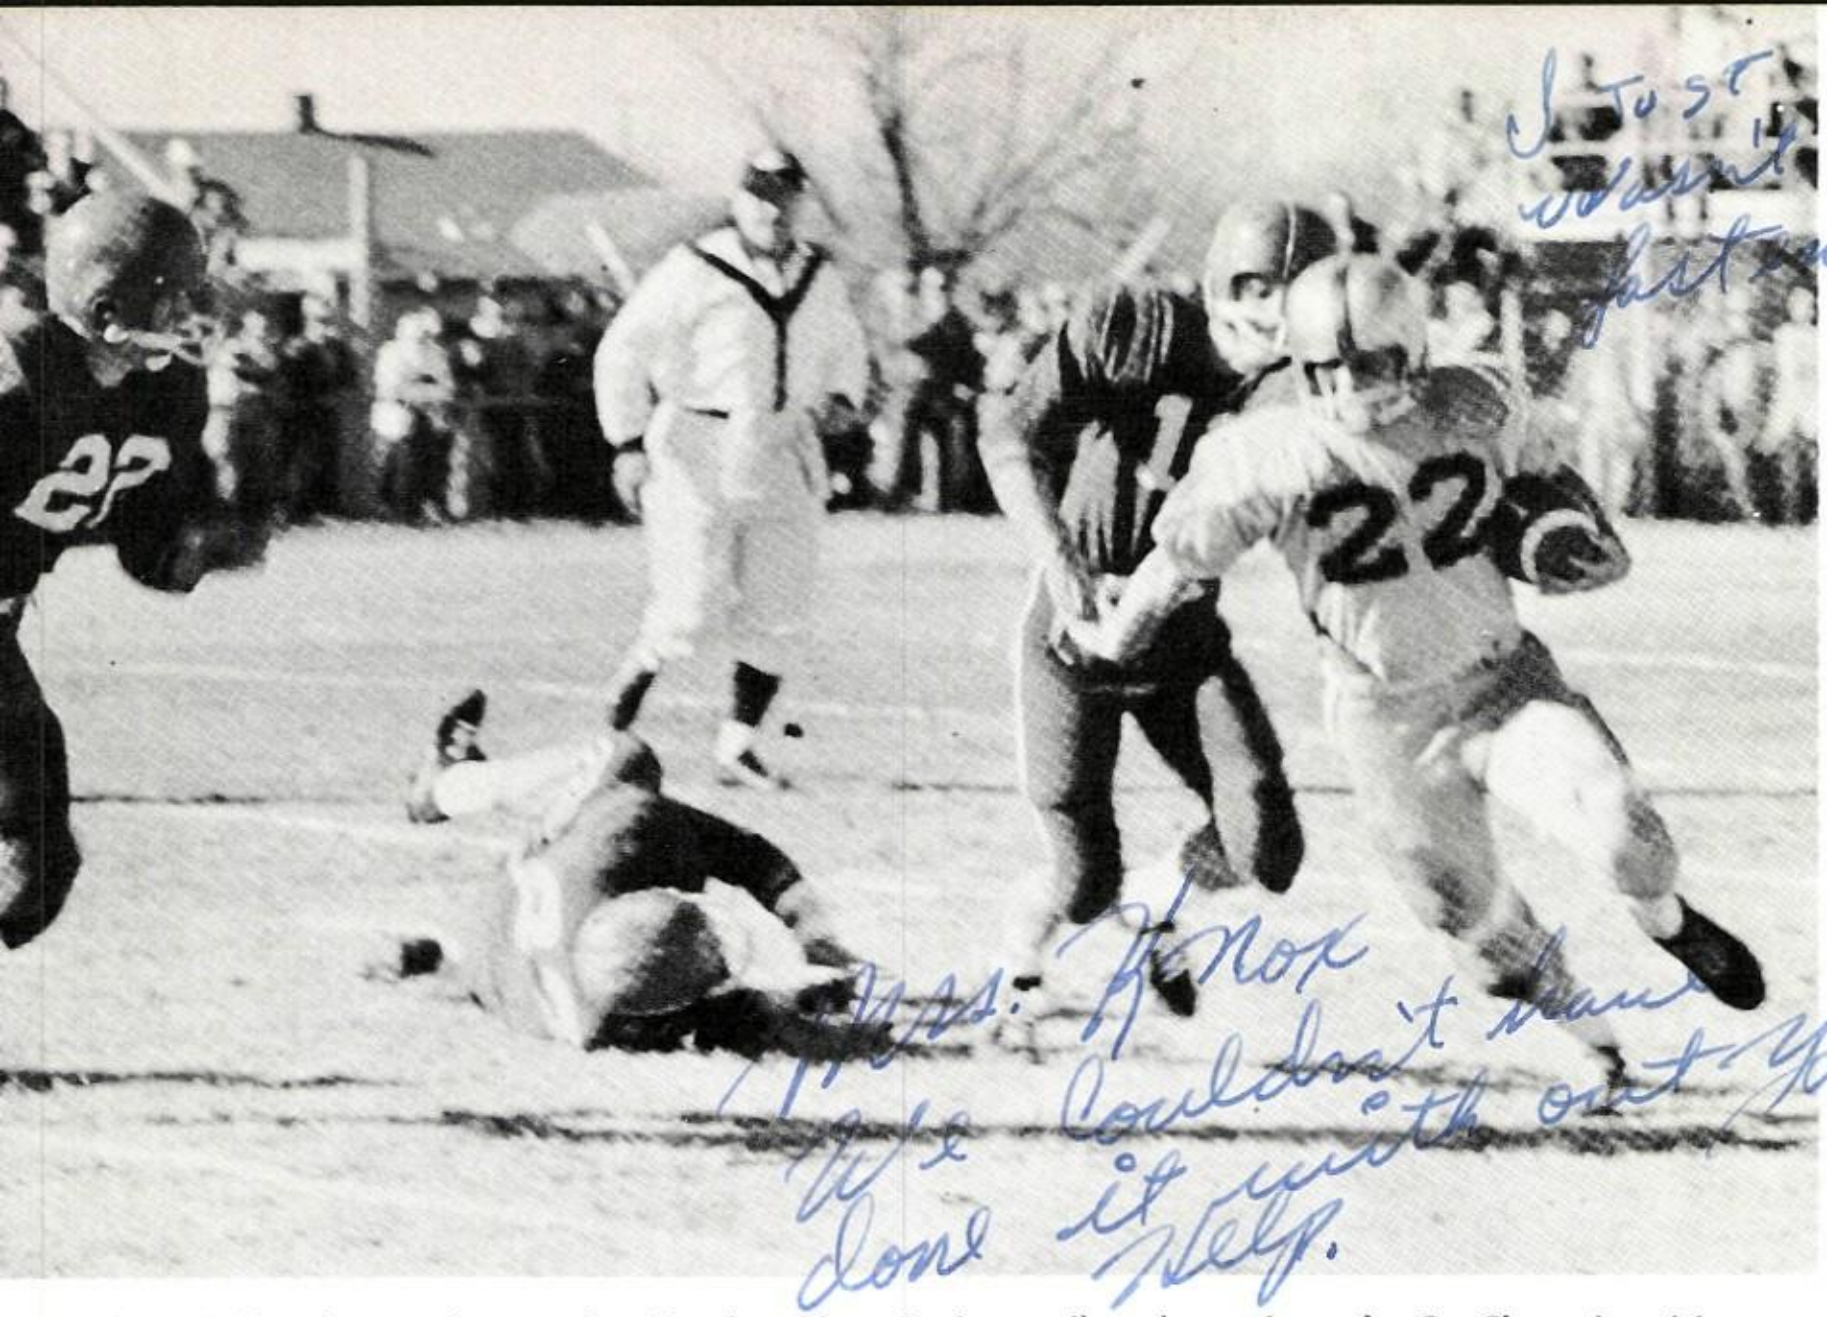
After the kick-off Breckenridge was forced to punt. Doerr fired 21 yards to Lee for a first down on the Breckenridge 4. There was only enough time for one play before the half. Doerr faded back to pass, found no receivers and scooted across the goal to score. The conversion was missed and the score at the half was Breckenridge 14, Cleburne 12.

The Jackets did something that has not been done to a Breckenridge team in history...controlled the ball for 9 minutes and 45 seconds while running 19 plays. Breckenridge finally got possession of the ball late in the third quarter ended with the score Breckenridge 14, Cleburne 12.

Beginning the fourth quarter, the two teams were really giving it all they had. After exchanging the ball a few times, Breckenridge made its drive toward the goal. After advancing to the 2 yard line, the Bucks scored. They missed the conversion and the score stood 20-12 with 6 minutes and 50 seconds left to play.

After the kick-off, the Jackets began their magnificent drive for a touchdown. Late in the third quarter, Doerr faded to pass and the Breckenridge defenders dropped back. Doerr whizzed toward daylight between tackle and end on the left side and went over the goal standing up. The clock showed 52 seconds left. Doerr saw the same patch of daylight on his conversion and burst in to rack up 2 points and tie the game at 20-all.

After the kick-off, Breckenridge took over on the Cleburne 40. Doerr intercepted the ball on his own 39 and fought his way to the 50 yard line. Trying for an all out win, Doerr threw a long pass intended for Lee. The pass was intercepted and the game was over as Breckenridge raced with the ball back down field.



Buck McCall makes yardage against Breckenridge. Buck contributed greatly to the Co-Champion title.

Timmy Doerr prepares to complete one of his outstanding passes. Stephen Lee, David McWilliams, and Richard Ottinger are aiding in the play.

Dear Mrs. Knox,

Well, it's about that time – for graduation that is. A few of us unlucky people won't be able to return to your zany journalism class next year, which will be our loss.

It is really hard to express in words the pleasure and fun it has been being in your class. I have considered you, not only a teacher, but more important as a friend.

You may not realize it but your newspaper hours and personal help to me was the deciding factor in me becoming a journalist.

I sincerely hope that I may always uphold your faith in my ability and that you will always be happy to know that you showed me the way.

I sure am going to miss you and this class next year, and though "Bear" or "Horned Frog" I hope you won't forget me!

So long and I will try to visit as often as possible. "Ya, Frogs!"

Love and always your friend,

Judy

Dear "Mama Knox,"

I have really enjoyed being in your class this year. Working on the Yippee has been alot of fun and I shall never forget all the good times we had. I can't wait until next year.

I'll never forget our trip to Austin. That was really a hoot. Remember all the doughnuts and Martha & them taking their pillows to the show. I really appreciate the opportunity of going and I want to thank you for making it possible and for all the fun I had at the I.R.C. conventions.

I am really looking forward to being in your class next year.

Love,
Paula Williams

Dear K.,

It's really been fun this year. I'll never forget Jamboree (and we put out some good Yippees). I'll never forget your patience in putting up with me this year. Hope you have as much fun next year as I have this year. You are not only a good teacher but a great person and a fine friend.

Billy

Dear "X",

I can never tell you how much 'ole BJ means to me. It has been just wonderful being in your classes for three years; English, one, and Journalism, two. It has been so much fun working on the Yapper.

I have enjoyed your friendship and you are one of the few things I will miss in ole C.H.S. next year. I am so glad to be graduating finally but these last four years have been so great.

I hope you will be happy and will always achieve the goals you attempt. I admire you so much. Cheris! and good luck throughout the coming years. I hope to see you again after school is out.

Bye, bye and tell my love to you.

Judy

Dear Mrs. Knox,
Thank you for being the most wonderful person I have ever known. I feel like I have known you all my life. I really hate to leave this year but I wish you all kinds of luck with your journalism class next year. May you always have the very best of life because you deserve it. Don't forget all of us when we leave because I can never forget you.
Thanks for helping me when I needed someone to talk to.
Love to a special sort of Teacher,
Dorothy

Dear Mrs. Knox,

I'll never forget the crazy time we had in Austin. It sure was fun!
I'll also remember our other trips.
Thanks for putting up with me for two years. I know you think I'm impossible at times.
Mrs. Knox, I'll miss you & the paper next year. Keep up the good work!

Dear Mrs. Knox,
I have really enjoyed knowing you these years in C. H. S. I'll never forget the good times in English. We've had together. Dear Miss K.,

I have really enjoyed being in your class this year. At the beginning of the year I didn't think I was going to be able to get in there. Mr. Arnold wanted me to take Solid + Trig. but I was to take it. He wanted me to stay with Math. But we will never forget you + your class. You are one of the sweetest people I know. I will always cherish the thought of having known you + being an impression on me. You are one of the sweetest people I know. I will always cherish the thought of having known you + being your class. Even though!!! We may never meet again, I will always remember you as being My No. 1 teacher + friend. I hope that in future years after I have accomplished something besides getting in + out of turmoil's, that I may find that you still remember me. Best of wishes + luck in all that you do.

Love to a wonderful Teacher + Kid

Dear "Mama" Knox,
no one knows the fun I have had this year. All the times we went to the bakery & CV, & SMU and most of all our trip to the University of Texas. (the best school) You have put up with a lot from us this year and sometimes I didn't see how you would come through.

I will never forget our trip to Austin. I had a wonderful time. Did Martha, Roselle & I really embarrass you when we took our pillows to the show? They sure were comfort. I never had so much fun in any class & I am really looking forward to next year. I wish you could go with us to A & M this summer. I know we are going to have a ball.

You haven't seemed like a teacher but more like one of us. (that's supposed to be a compliment).

After graduation next year I am going to come back and visit you. Don't ever forget me and I know I will never forget you. You are someone that I really look up to and I think a lot of you.

Don't ever forget the crazy things we have done. I love you a lot Mama Knox. You're a swell person. God bless you and be with you always.

Love always,
Glenda

Dearest "Mama Knox,"
Anything I could write would only echo everyone's feelings for you. You know how much you mean to me.

I can only wish that there were more teachers in C.H.S. like you. I wish that there were more that had your patience and understanding of young people. You have set a wonderful example for many C. H. S. students. Please, Promise me that you'll never change and become one of those referred to as an "Ole school teacher."

I'm truly looking foreward to being with you next year.

Love ya lots,
Linda Kaye

"Knoxy"
I just want to tell you how much I have enjoyed being associated with you in class these last three years. You have just made my high school life complete in more ways than <u>one</u>.

You are a very pleasant person to be around. I want to wish you the best of everything in your future life.

Love ya,
Genesa

B. J. K. ———
You are the greatest! I believe that you are one of C.H.S.'s prime assets. In addition to being a wonderful teacher to me, you have also been my friend for eons of years. (Well, maybe <u>not</u> eons?) I am going to wish you the best of luck, because, next year, when the Frogs play the Bears, you'll need it!! Really— I have, am, and will love you as a teacher and friend for the rest of my life.

Dear Mrs. Knox,

Sometimes good things happen to a person that she'd like to brand "unforgettable" and lock them up in her heart forever — but the nice, undeserved compliments and pleasures given me. It's so nice who means so terribly much to me will warrant and guarantee other future memories just as pleasant.

To use the words "marvelous," "wonderful," "excellent," or "favorite" all. Not one. I started to make a list of your most Christ-like characteristics and for you read between the lines. I promise this is no exaggeration. But as I counted at least a thousand days of deep and precious insight into the life of one who exemplifies love personified. Everyone is equal — everyone deserves the same "hi, how're you?" and glimpse of gracious personality to everyone is one person in a million. This is one of my most cherished in your presence. And one I know you, either consciously or subconsciously, incorporate. One I want. I found it in you.

You possess a very realistic approach to life's difficult situations and problems confronting you. I know you face them squarely and, with God as your guide, you make your own decisions. I sincerely believe that this is the only way to live an abundant, productive, and successful life. And the only way to achieve complete personal harmony with one's self plays an important part in this then one must recognize his own weaknesses and limitations. And that's so terribly hard to do. But you have the courage to do this.

Someone who is willing to give a part of himself to another who may desperately need advice is a treasure." To give of what you have to help the unfortunate....." sound familiar? This act or consideration in your life day after day certainly points to others where you can be found each Sunday at 9:00 A.M. and 7:00 P.M. My goodness, for someone who is so willing a part for so many people and their problems, it seems you couldn't possibly have time to help any others. But you have always found time and another place to fit some more calls, counsel and listening ear. And I admire you always for it.

The greatest gift of all, I believe, that a person who is a few years older could give a younger person is an example of Christ living in your life day after day — in every word, thought and action. You have given this gift to me, and I thank you deeply and admire you tremendously for unknowingly giving it to me — you really don't know how much it's needed it. And I'm trying to follow it, and I will try to continue

Dearest Mrs. Knox (B.J.),

Every time I begin to write something down to you I want to flood the place with tears. I don't cry over many people, the ones I do cry over, are the ones who I love the most. You are one of these few.

I am so very glad that I have had the wonderful privilege of knowing someone as marvelous as you. There are so many, many qualities for which I admire you among which are your smile, laughter, Christmas cheer, respect and thoughtfulness of others, and your wonderful Christian faith.

You told me that there are a few students who really make teaching worth the toil and sweat — well, Mrs. Knox, there are some teachers who make the going to school feel just the same way — this would certainly include you.

Thank you sincerely for all the things you've given me and helped me with — Please never change because I'll be looking for the same friend person I left when I return from school.

Come see me at Denton — it's only a hop, skip, and jump from your back door.

I love you.

Chris

P.S. See you "65"

Kos. Susan Sansom

Dear Knopie,

I hope you don't mind. Mie is the only space left. You're just too popular!! I don't want mom to sound like everybody else, but this is really the only way to tell what I really mean unless I write it in French. You could never imagine how much I have missed you and your class this year. I really don't think I could possibly make it three more years without journalism 3/3.

You have been such a good friend to me all so understanding - not like a teacher at all - but I guess you must be more than human to put up with all the things we've done this year. I know I'm a terrible pest - forgive me. I'm really going to miss you all next year. I just want to find out if anything like that is in store for us next year. But we're coming home to visit of course probably the first weekend.

Through my teachers may not appreciate it - you're the best one I've ever had. Teachers that is.

See ya in October when the Old Red Raiders tear up those Froggies.

Love, Susan
